TimeRiders: The Doomsday Code Alex Scarrow 2012-10-16  
When a British computer hacker finds his name coded into a centuries-old manuscript, TimeRider Maddy recognizes it as the same message she had also been sent. Sure it must be communication from other TimeRiders agents, she sends Liam and the two support units back to Robin Hood's time to search for the fabled document-possibly the Holy Grail. But as a war begins to brew between King Richard and his brother John, Liam unwittingly takes on the role of the Sheriff of Nottingham and

discovers that the mythical Robin Hood may have been another support unit all along. This action-packed reimagining of the Robin Hood legend, weaving elements of religion, alternative history, and time-travel ethics perfect for fans of *The DaVinci Code*, is a page-turner old fans and new ones alike won't want to miss.

TimeRiders: The Eternal War Alex Scarrow 2013-05-21

Continuing the heart-pounding, time-bending action of the TimeRiders series, *The Eternal War* brings readers back to a pivotal time period in American history: the Civil War. Only this alternate history is one where a young Abraham Lincoln has somehow followed Liam into the present from 1831, and the entire course of American history has changed. If the TimeRiders can't return Lincoln to the past, the country could be trapped in a dangerous state of never-ending civil war. Can Maddy persuade two colonels on either side of no man's land to cease fire long enough to save the future?

Parentology Dalton Conley 2014-03-18 An award-winning scientist offers his unorthodox approach to childrearing:

"Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions" (Amy Chua, author of *Battle Hymn of the Tiger Mother*). If you're like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In *Parentology*, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a

family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley’s sassy kids show him the limits of his profession. Parentology teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You’ll be laughing and learning at the same time.

TimeRiders Alex Scarrow 2010-08-31 Maddy should have died in a plane crash. Liam should have died at sea when the Titanic sank. Sal should have died in a tragic fire. But a mysterious man whisked them away to safety. Maddy, Liam, and Sal quickly learn that time travel is no longer just a hope for the future; it is a dangerous reality. And they weren't just rescued from their terrible fates. . . they were recruited for the agency of TimeRiders created to protect the world from those seeking to alter the course of history for personal gain. By reliving the highly documented events in New York City on 9/11, they can closely monitor history for any deviations-large or small. When just such a change is detected, they are alerted that a threat is at hand unleashing the evil of the Nazis to wreak havoc with Earth's present and future. Can Maddy, Liam, and Sal fulfill their destinies as keepers of time to save the world from utter destruction? An exhilarating adventure that shifts readers back in time to Nazi Germany and then forward into an ever-changing present. Look out for the other books in this series: Day of the Predator and The Doomsday Code!

TimeRiders Alex Scarrow 2010-08-05 Liam O'Connor should have died at sea in 1912. Maddy Carter should have died on a plane in 2010. Sal Vikram should have died in a fire in 2029. But all three have been given a second chance - to work for an agency that no-one knows exists. Its purpose - to prevent time travel destroying history . . . When Maddy mistakenly opens a time window where and when she shouldn't have, Liam is marooned sixty-five million years ago in the hunting ground of a deadly - and until now - undiscovered species of predator. Can Liam make contact with Maddy and Sal before he's torn to pieces by dinosaurs - and without endangering history so much that the world is overtaken by a terrifying new reality?

The Exile Andrew Britton 2011-01-28 For the President of the United States, the daily horror of life in West Darfur's killing fields just hit heartbreakingly close to home. His niece, Lily, has been targeted and savagely murdered by a corps of fearsome government-backed militiamen. With the situation too explosive for diplomatic or military solutions, yet with the President and the

public thirsting for revenge, America is out of options. Except one: Ryan Kealey, ex-Special Forces, former CIA, and unrivaled counterterrorism expert. Kealey has been central to the war on terror for over a decade. But after the Agency hung him out to dry--and let his lover die--he turned his back. Until now. For the government has revealed its trump card, the one thing Kealey will risk everything for. Soon, from the lawless streets of Sudan to the highest levels of the American government, Kealey unearths secrets and betrayals that shock even his war-tempered sensibilities--and ignite a conflagration with unknowable global consequences. "In this age of terrorism, [Britton's] plots seem to jump straight out of the headlines. . . he may well give Tom Clancy a run for the money." --St. Louis Post-Dispatch on *The Invisible* "The Assassin is the 'best' of Tom Clancy, Michael Connelly, and Robert Ludlum all rolled into a single book." --armchairinterviews.com "Brilliantly well-written with plotting sharper than a fence full of razor wire, a sizzling page-turner." --Brad Thor, New York Times bestselling author on *The American*

*A Thousand Suns* Alex Scarrow 2021-06-14 It's early April of 1945 and the dog-days of World War II. The Nazi regime is being slowly throttled by the oncoming Russian and Allied armies and Hitler rages uselessly in his Berlin bunker. But the high command have one more throw of the dice to make. An audacious plan is hatched to save the Fatherland and beat off the oncoming apocalypse. All it will take is a hodge-podge squadron of escort fighters, a captured U. S. bomber, and one suicidally brave pilot to fly it over the Atlantic into the beating heart of America. Half a century later, a rusting plane is discovered, sunk with its crew, off the coast of New York a relic from a bygone age. Chris Roland, a brilliant young photographer, is sent to take photos of this time capsule. But it is only when he discovers that the fragments of Nazi uniforms on the decaying corpses that he realizes that he has come across a secret so terrible that even 50 years later it could still kill him

Commodus Simon Turney 2019-06-13 'Astonishing . . . A fascinating, detailed and dramatic story of one of Rome's most notorious emperors' SUNDAY EXPRESS Commodus is a brilliant, thrilling novel about one of Rome's most intriguing - and notorious - emperors, for fans of Simon Scarrow, Conn Iggulden, Christian Cameron, Ben Kane and Harry Sidebottom. Rome is enjoying a period of stability and prosperity. The Empire's borders are growing, and there are two sons in the imperial succession for the first time in Rome's history. But all is not as it appears. Cracks are beginning to show. Two decades of war have taken their toll, and there are whispers of a sickness in the East. The Empire stands on the brink of true disaster, an age of gold giving way to one of iron and rust, a time of reason and strength sliding into hunger and pain. The decline may yet be halted, though. One man tries to hold the fracturing empire together. To Rome, he is their emperor, their Hercules, their Commodus. But Commodus is breaking up himself, and when the darkness grips, only one woman can hold him together. To Rome she was nothing. The plaything of the emperor. To Commodus, she was everything. She was Marcia. From the

author of the critically acclaimed Caligula ('an engrossing new spin on a well-known tale' - The Times) comes the new novel in The Damned Emperors series: Commodus. WHAT READERS ARE SAYING ABOUT THE DAMNED EMPEROR SERIES: 'Commodus by Simon Turney is my sort of historical fiction - people who actually lived - with their lives told in an intriguing and interesting way' - Amazon review 'Truly a magnificent read, insightful, powerful, emotional and gripping from the start' - Amazon review 'Simon Turner is a first class writer, and he certainly did his research well' Amazon review

The Eagle Has Landed Jack Higgins 1998 THE EAGLE HAS LANDED is probably the greatest World War II story ever written. Operation Eagle was to be the most daring enemy mission of the entire war. Himmler planned to kidnap Churchill on British soil in November 1943. But in that remote corner of Norfolk, an elite unit is also put together to begin the countdown to the invasion. A brilliant adventure in which the reader's sympathies are enlisted as much for the German heroes as for the English defenders.

TimeRiders Alex Scarrow 2011-02-03 Liam O'Connor should have died at sea in 1912. Maddy Carter should have died on a plane in 2010. Sal Vikram should have died in a fire in 2026. But all three have been given a second chance - to work for an agency that no one knows exists. Its purpose: to prevent time travel destroying history . . . In 1993 British computer hacker Adam Lewis finds his name in a coded manuscript that is almost one thousand years old. How did Adam's name get in there . . . and why? Confronted by Adam in 2001, the TimeRiders travel back to Sherwood Forest in 1193 to discover the origins of the ancient message. But when a strange hooded man appears interested in the same thing, they begin to wonder what terrible threat this cryptic link from the past holds for the future . . .

Last Light Alex Scarrow 2010-06-24 SOON TO BE A MAJOR TV SERIES A terrifying apocalyptic thriller from the one of the brightest stars of the genre... 'Chillingly plausible' DAILY TELEGRAPH It seems to be a very normal Monday morning. But in the space of only a few days, the world's oil supplies have been severed and at a horrifying pace things begin to unravel everywhere. And this is no natural disaster: someone is behind this. Jenny is stuck in Manchester, fighting desperately against the rising chaos to get back to London, where her children are

marooned as events begin to spiral out of control: riots, raging fires, looting, rape and murder. In the space of a week, London is transformed into a lawless and anarchic vision of hell. Jenny's estranged husband, oil engineer Andy Sutherland, is stranded in Iraq with a company of British soldiers, desperate to find a way home to his family, trapped as transport links and the very infrastructure of daily life begin to collapse around him. And against all this, a mysterious man is tracking Andy's family. He'll silence anyone who might be able to reveal the identities of those behind this global disaster. It seems that the same people who now have a stranglehold on the future of civilisation have flexed their muscles before, at other significant tipping points in history, and they are prepared to do anything to keep their secret - and their power - safe.

The 7th Canon Robert Dugoni 2016-09-27 A riveting new legal thriller from the bestselling author of "My Sister's Grave." In San Francisco's seamy Tenderloin district, a teenage street hustler has been murdered in a shelter for boys. And the dedicated priest who runs the struggling home stands accused. But despite damning evidence that he's a killer and worse Father Thomas Martin stands by his innocence. And attorney Peter Donley stands with him. For three years Donley has cut his legal teeth in his uncle's tiny, no-frills firm, where people come before profits. Just as Donley is poised to move on to a lucrative dream job, the shocking case lands in his lap, and he must put his future on hold while putting his courtroom skills to the test. But a ruthless DA seeking headlines and a brutal homicide cop bent on vengeance have their own agendas. Now, as he unearths the dirty secrets surrounding the case, Donley must risk his neck to save his client's life and expose the face of true evil."

U.S.S. Seawolf Patrick Robinson 2009-10-13 Armed with stolen U.S. military technology, the Chinese are producing a frightening new breed of weaponry, led by the ICBM submarine Xia III--a vessel that just might be able to launch a nuclear warhead across the Pacific Ocean and take out an American West Coast city. National Security Adviser Admiral Arnold Morgan can't let that happen, and he dispatches the most stealthy hunter-killer submarine in the U.S. fleet, the 9,000-ton ultrasecret Seawolf, deep into the dark, forbidden waters of the South China Sea. But then the unthinkable happens: Seawolf, collides with a Chinese destroyer and falls into enemy hands. A team of cunning Navy SEALs--the biggest Special Forces assault group assembled since Vietnam--is sent in to free the captive Seawolf, crew and bring them home. The American Eagle confronts the Chinese Dragon with the balance of world power on the line. Failure is not an option...

The Tehran Conviction Tom Gabbay 2009-06-09 "Told against the background of a real-life CIA coup, The Tehran Conviction mixes historical fact with vivid storytelling in ways that will delight readers of both." —Stephen Kinzer, New York Times Bestselling author of All the Shah's Men Bestselling thriller writer Jack Higgins calls Tom Gabbay, "John le Carré with a witty ironic edge." In The Tehran Conviction, the acclaimed author of The Berlin Conspiracy and The Lisbon Crossing sends Agent Jack Teller to Iran during two equally volatile times in the nation's recent history: on the eve of a CIA-sponsored coup in 1953, and in 1979, the year of the infamous Islamic revolution. Denver's Rocky Mountain News advises you to, "add [Gabbay's] name to the must-read list of thriller writers." Read The Tehran Conviction and see why.

Antarcticness Ilan Kelman 2022

Aggressor Andy McNab 2021-01-26 Former covert operator Nick

Stone seems to be living his dream in book eight of the best-selling series - not a care in the world as he steers his camper van around the surfing and parachuting paradise of Australia. But when he sees a news report of the massacre of women and children in a terrorist outrage on the other side of the world, long-suppressed memories are triggered, and Nick knows he must risk everything to repay a longstanding debt of friendship. As events unfold in the teeming streets of modern Istanbul and the bleak, medieval villages of Georgia, Nick finds himself catapulted once more into the murky, clandestine world he thought he'd left behind – a world in the grip of nameless enemies who linger in the shadows, and stalk the corridors of power...

**Blackout** Simon Scarrow 2021-08-05 LAUNCHING HEADLINE'S MOST EXCITING NEW CRIME SERIES FROM THE CELEBRATED SUNDAY TIMES BESTSELLER SIMON SCARROW - COMING IN 2020. Berlin. December 1939. War rages in Europe while the Nazis tighten their terrifying grip on the German state. Paranoia spreads through Berlin as an enforced blackout plunges the city into darkness every night. Criminal Inspector Horst Schenke is treated with suspicion by his superiors for a reluctance to embrace the Party. But when a young woman is found brutally murdered, he is tasked with leading the investigation, to appease rival factions of the Reich. Schenke is convinced that there's a serial killer on the streets. As the case takes him closer to the dark machinations of the regime, he must tread delicately - for disloyalty is a death sentence. What price must he pay to uncover the truth? **The Candle Man** Alex Scarrow 2012-04-26 1912. Locked in an eerily quiet dining room on the Titanic, a mysterious man tells a young girl his life story as the ship begins to sink. It all starts in Whitechapel, London in 1888... In the small hours of the night in

a darkened Whitechapel alley, young Mary Kelly stumbles upon a man who has been seriously injured and is almost unconscious in the gutter. Mary - down on her luck and desperate to survive - steals his bag and runs off into the night. Two days later, an American gentleman wakes in a hospital bed with no memory of who he is or how he got there. He has suffered a serious head injury, and with no one to help him remember who he is he starts to wonder how he will ever find his way home. One terrible truth links these two lost souls in the dark world of Victorian London - a truth that could ruin the name of the most influential man in the land... Back in 1912, as the Titanic begins its final shuddering descent to the bottom of the frozen, black Atlantic, one man is about to reveal the truth behind a series of murders that have hung like a dark fog over London for more than two decades...the identity of Jack the Ripper.

Approaches to Learning, Testing and Researching L2 Vocabulary  
Stuart Webb 2020-08-06 This volume brings together a collection of chapters focused on the learning, testing, and researching of L2 vocabulary by leading international researchers including Paul Nation, Batia Laufer, Frank Boers, Elke Peters, Ana Pellicer-Sánchez, Anna Siyanova-Chanturia, and Stuart Webb. Questions that are examined include: Is it useful to read a book to learn vocabulary? Which types of input encountered outside of the classroom contribute most to vocabulary knowledge? What are the most useful words to learn to understand the academic spoken language in mathematics, biology, and engineering lectures? Does writing words contribute to vocabulary learning? What should a test measuring the skill of guessing from context consist of? Should loan words be included in vocabulary tests? How should we evaluate vocabulary learning that occurs through watching captioned video? How has eye-tracking been used in vocabulary research? Together, the chapters in this volume highlight innovation in vocabulary studies and many directions for researching, testing, and learning words. October Skies Alex Scarrow 2010-06-24 The stunning new thriller from one of the fastest-growing stars of the genre. 2008: deep in the mountain forests of Wyoming, Julian Cooke stumbles across the rotting remains of a wooden wagon. He's discovered what's left of the Preston Group, a convoy of settlers that vanished in the winter of 1856. It's clear that something horrific happened here all those years ago, but Cooke can only find a few tantalising clues. 1856: as early snows descend, the eclectic group of settlers that form the Preston wagon train are forced to dig in. Miles from any kind of civilisation, they see the group of Native Americans also trapped nearby as their greatest threat. But they soon realise what true danger is. When a woman is found murdered, one of the Indian party struggles wounded back to camp, whispering of unspeakable evil as he dies. United by fear, the settlers and the Indians must protect themselves against whatever is lurking in the woods. But as suspicion and panic grow, perhaps their own terror will be just as dangerous. Or maybe, whatever's out there is worse than anything they can imagine. Back in the present day, as Cooke unravels the mystery, he must question if the horror he is uncovering was in fact only the start of something much worse...

2033-The Century After Georg Woodman, Dr.MSc. & PhD What if things went differently in the 1930s and '40s, giving victory to Germany and Japan? In that scenario, what would the world be like a century later? This story of altered history begins in 2033, when Alois Adolf Hitler III, the grandson of Adolph Hitler, is reminiscing on the balcony of the Reichskanzlei (chancellery), on how his grandfather accomplished victory in World War II and about everything that has happened since. Read how history was rewritten and how the third generation of The Third Reich is doing. This stunning story connects history with reality and fiction, showing a possible future that could have happened. In reality: "Nazi Germany made increasingly aggressive territorial demands, threatening war if they were not met. It seized Austria and

Czechoslovakia in 1938 and 1939. Hitler made a pact with Joseph Stalin and invaded Poland in September 1939, launching World War II in Europe. “In alliance with Italy and smaller Axis powers, Germany conquered most of Europe by 1940 and threatened Great Britain.” In fiction: What changed to allow Hitler to win the war? Find out in 2033 – The Century After. “As our wheel-of-history shows, it could have spun in another direction just as easily.”

Afterlight Alex Scarrow 2011 The world lies devastated after the massive oil crisis that was described in LAST LIGHT. Human society has more or less entirely broken down and millions lie dead of starvation or disease. There are only one or two beacon communities that have managed to fashion a new way of living. Jenny Sutherland runs one of these groups. Based on a series of decaying offshore oil rigs - for safety - a few hundred people have rebuilt a semblance of normality in this otherwise dead world. But as Jenny and her people explore their surroundings once again, they start to realise not every survivor has the same vision of a better future than their catastrophic past. There are people out there who would take everything they have. War is coming, and the stakes are truly massive...

A Cowboy to Remember Rebekah Weatherspoon 2020-02-25 An Oprah Magazine Best Romance Novel of 2020 In this brand-new series from award-winning author Rebekah Weatherspoon, a charming cowboy and his sleeping beauty find their modern-day happily ever after . . . With a headline spot on a hit morning show and truly mouth-watering culinary skills, chef Evie Buchanan is perched on the edge of stardom. But at an industry party, a fall lands Evie in the hospital—with no memory of who she is. Scrambling to help, Evie’s assistant contacts the only “family” Evie has left, close friends who run the luxury dude ranch in California where Evie grew up. Evie has no recollection of them—until former rodeo champion Zach Pleasant walks into her hospital room, and she realizes his handsome face has been haunting her dreams . . . Zach hasn’t seen Evie in years—not

since their families conducted a campaign to make sure their childhood friendship never turned into anything more. When the young cowboy refused to admit the feelings between them were real, Evie left California, making it clear she never wanted to see Zach again. Now he refuses to make the same mistake twice. Starting fresh is a risk when they have a history she can't recall, but Zach can't bear to let go of her now. Can he awaken the sleeping beauty inside her who might still love him?

Grace is on her way to New Zealand and Freya to the 'New United States' in Cuba. The virus has assimilated all of humanity except for these three communities and now it is prepared to talk with them. How they each choose to respond to the virus, will ultimately decide their fate in Plague World, the apocalyptic finale to the Remade trilogy from bestselling author of the TimeRiders series, Alex Scarrow.

TimeRiders: Gates of Rome Alex Scarrow 2012-02-02 Liam O'Connor should have died at sea in 1912. Maddy Carter should have died on a plane in 2010. Sal Vikram should have died in a fire in 2026. But all three have been given a second chance - to work for an agency that no one knows exists. Its purpose: to prevent time travel destroying history . . . Project Exodus - a mission to transport 300 Americans from 2070 to 54AD to overthrow the Roman Empire - has gone catastrophically wrong. Half have arrived seventeen years earlier, during the reign of Caligula. Liam goes to investigate, but when Maddy and Sal attempt to flee a kill-squad sent to hunt down their field office, all of the TimeRiders become trapped in the Roman past. Armed with knowledge of the future, Caligula is now more powerful than ever. But with the office unmanned - and under threat - how will the TimeRiders make it back to 2001 and put history right? \*\* Book five in the bestselling TimeRiders series by Alex Scarrow. \*\* Ancient Rome gets a time-travel makeover! \*\* TimeRiders (Book 1) won the Red House Book Award older readers category, and

was Penguin UK's first ever number one on the iBookstore. \*\*
