Pre-Incident Indicators of Terrorist Incidents Brent L. Smith 2011-01 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior

to the commission of the actual terrorist incidents. Illustrations.

Life, Some Assembly Required Kaje Harper 2017-06-26 Finding love in the ashes was easy. Building a life together? Not so much. After spending the first part of his life chasing pretty girls, love has finally come to Ryan in the form of John, a tall, lanky, red-headed landscape architect with wide shoulders and a five-o'clock shadow. For the first time in Ryan's life, love feels easy. Hell, he even ran into a burning building for John and his son, and he'd do it again if he had to. But telling his father and brothers and classmates "I'm gay. I've met a man"? That's going to take nerve of a different kind. For John, loving Ryan is as natural as breathing. Now if only the rest of his life would fall into place. Dealing with his teen son is complicated enough, but with his ex-wife causing trouble and his daughter wanting to move in, John's house—and his relationship with Ryan— threaten to split at the seams. Is one month without a new surprise knocking him upside the heart really too much to ask? Unfortunately, the answer seems to be Yes. (This is a re-release of the 2015 Samhain novel, with only minor editing.)

Start Simple Lukas Volger 2020-02-18 From veteran food writer, recipe developer, and creator of the James Beard Award-winning Jarry magazine comes an innovative approach to vegetarian cooking. What have I got to eat? It's a question we ask every time we open up the refrigerator or pantry door. It might be eggs, some cheese, and half a loaf of bread, or a box of wilting greens, garlic, and some sweet potatoes. Though these ingredients may not seem like much to make a delicious meal, recipe developer and author Lukas Volger knows it's all you need. In Start Simple he offers a radically new, uncomplicated, and creative approach to cooking that allows you to use what you already have on hand to make great meals you didn't think were possible. Magic can happen with just a few ingredients: sweet potatoes, tortillas, eggs, cabbage, hearty greens, beans, winter squash, mushrooms, tofu, summer squash, and cauliflower. Volger advises readers to stock up on these eleven building blocks instead of shopping for a single recipe. A protein (tofu, beans, eggs) is a foundation. A crunchy garnish (cabbage, greens) is a finishing touch. Once these structural components of a meal are established, home chefs can throw in

their own variations and favorite flavors—mixing, matching, and adding ingredients to customize their dishes. While *Start Simple* is a vegetarian cookbook—none of the recipes include meat—Volger’s approach transcends categories. His methods aren’t about subscribing to a specific dietary regimen; they are about simply recognizing and embracing the way people cook and eat today. Creating weekly meal plans based on intricate recipes sounds good, but it can be difficult to execute. Having a well-stocked pantry paired with a choose-you-own adventure guide to creating simple yet inventive meals is more practical for your average home cook.

Breaking Cover Kaje Harper 2011-07 For homicide detective Mac, it's been a good year. Having Tony to go home to makes him a better cop and a better person. For Tony, it's been hard being in love with a man he can't touch in public. Evasions and outright lying to friends and family take a little of the shine off his relationship with Mac, but Tony is determined to make it work. As the Minneapolis Police Department moves into a hot, humid summer, Mac is faced with a different challenge. A killer has murdered two blond women, and the police have no real clues. Mac hates to think that another murder may be the only way

they'll make progress with the case. But when that murder happens, it hits close to home for Tony. And suddenly Mac faces an ultimatum: come out into the sunlight and stand beside Tony as his lover, or walk away and live without a piece of his heart.

My Antonia Willa Cather 2018-10-08 My Antonia is a novel by an American writer Willa Cather. It is the final book of the "prairie trilogy" of novels, preceded by O Pioneers! and The Song of the Lark. The novel tells the stories of an orphaned boy from Virginia, Jim Burden, and Antonia Shimerda, the daughter of Bohemian immigrants. They are both became pioneers and settled in Nebraska in the end of the 19th century. The first year in the very new place leaves strong impressions in both children, affecting them lifelong. The narrator and the main character of the novel My Antonia, Jim grows up in Black Hawk, Nebraska from age 10 Eventually, he becomes a successful lawyer and moves to New York City.

The Dark Wind Tony Hillerman 2009-03-17 The fifth novel featuring Leaphorn and Chee by New York Times bestselling author Tony Hillerman, now reissued in the Premium Plus format. The corpse had been "scalped," its palms and soles removed after death. Sergeant Jim Chee of the Navajo Tribal Police knows immediately he will have his hands full with this case, a certainty that is supported by the disturbing occurrences to follow. A mysterious nighttime plane crash, a vanishing shipment of cocaine, and a bizarre attack on a windmill only intensify Chee's fears. A dark and very ill wind is blowing through the Southwestern desert, a gale driven by Navajo sorcery and white man's greed. And it will sweep away everything unless Chee can somehow change the weather.

Don't Plan to Stay Kaje Harper 2017-12-08 Donnie doesn't think he's worth a second chance. Adam does. At eighteen, Donnie Kagan's plans for graduation, and maybe even college, were derailed by a beer, a stoplight, and a fatal crash. Now he's twenty-four, out of prison, and bitterly determined to start over. But with the holidays approaching, he can't resist a quick trip home to Tallbridge, North Dakota, and the man he left behind. Just a fast look, to make sure Adam's doing all right, before Donnie starts his new life. He doesn't plan to stay. Adam Lindberg's been waiting six years to get closure with Donnie. He

missed that chance after the accident, fighting for his life in a hospital bed as Donnie pled guilty and disappeared into the justice system. Adam's tried to move on, but he never found another guy he cared about the same way. So when Donnie shows up in Tallbridge, Adam's ready to fight for more than three words of goodbye. If Adam asks for Donnie's help with the family store, maybe he'll stay long enough to finally talk about the future, and the past.

Unsafe Exposure Kaje Harper 2021-04-27 Nothing wrecks a guy's day like finding out he's a werewolf. From the moment artist Dylan Shore arrives in Chicago, his life gets twisted like a kaleidoscope. Why does a street gang he's never met before want him dead? Why is a hot but odd mathematician stalking him? And how can half the things Alex Corwin says possibly be true, no matter how honest he seems? Alex has a frightening dilemma. Dylan is attractive, appealing, out and proud. He's also completely unaware that he's a werewolf. It shouldn't be Alex's job to tell him, and warn him that gay wolves usually end up dead. But someone has to, before he finds out in blood and violence. Chicago's not Alex's hometown, but somehow he needs to protect Dylan from the local packs, protect the wolves from being outed by Dylan, and keep his cool around the first man to touch his own deeply-closeted heart. (This is a lightly edited rerelease of the 2016 original.)

Marked by Death Kaje Harper 2020-10-23 Asking a necromancer for help is scary; falling for him may be downright terrifying. Darien Green's afraid he's going insane. The voices in his head are getting louder, weirder, and more numerous. But tattoos appearing on his skin say that there might be a magical reason,

something other than his own brain going around the bend. He's worked up the nerve to ask the local necromancer for help. Now he just has to survive his encounter with tall, dark, and talks-to-ghosts. Necromancer Silas Thornwood doesn't appreciate being woken out of his bed by a stranger pounding on his door. But when that stranger turns out to be a half-frozen young man with an unexpected appeal, Silas can't turn him away. Even Grim, his cat-familiar, agrees—in a world of death and demons, protecting gorgeous, ghost-ridden Darien is Silas's next difficult job.

Unexpected Demands Kaje Harper 2021-02-25 He'd rather fight enemy wolves and rogue humans than face his own heart. When Aaron took down a violent, power-crazed wolf and inherited half a pack, he knew being Alpha wasn't going to be easy. A week later, he's finding out what an understatement that was. Other werewolves are calling for the extermination of his pack's gay wolf, or for Aaron's own death, and the risk of exposure to humans is growing. Aaron can't afford to let his long-suppressed sexuality escape his rigid control. When one of his younger wolves is in trouble, it's simply Aaron's job as Alpha to help and protect him. But keeping a cool distance from a young man who appeals to all his senses could be Aaron's toughest challenge.

The Golden House Salman Rushdie 2017-09-05 NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities* ONE OF THE BEST BOOKS OF THE YEAR: NPR, PBS, Harper's Bazaar, Esquire, Financial Times, The Times of India On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of "the Gardens," a cloistered community in New York's Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on

twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Goldens' world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Goldens, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age.

Building Forever Kaje Harper 2019-08-29 Four years ago, Ryan and John decided they'd wait to get married until it came with full legal equality. Now, thanks to the Supreme Court, that historic moment has finally arrived. But three hundred miles separate Ryan's hectic residency from John's busy campus job. With a son in college, a daughter choosing her future, and a rambunctious Irish Setter needing attention, planning a wedding isn't simple. Of course, even the most perfect ceremony can't solve all their problems. What does it take to build forever?

Unjustified Claims Kaje Harper 2021-04-06 His pack would've killed him for his kinks and desires, but his human lover might destroy his wolf. Brandt Davis loved being part of his Michigan werewolf pack, until they found his stash of gay porn. He escaped their anger, running in wolf-form into the wilderness, but he can't live that way forever. And he can't hide in fur like a coward when an injured man needs his help. Ethan Sjulstad knows life is making him crazy when a solo hike into the Minnesota Boundary Waters seems reasonable. Then a bad fall leaves him seriously hurt and facing death. Delirious, he hallucinates being rescued by a big gray wolf and a naked woodland godling. For a man who has always loved

fantasy, it's worth surviving just to find out what the hell is going on. (This is a lightly edited rerelease of the 2014 original.)

Changes Coming Down Kaje Harper 2019-12-03 For three gay men in love, opening the closet door could be a risky move. Sheriff Casey Barlow has a slick, media-savvy challenger out to beat him in the upcoming election. Casey's damned good at his job, but he hasn't kissed the right asses, and early polls suggest voters like his opponent's style. Coming out now, let alone revealing his relationship with two men, could sink any hope of keeping his badge. Scott Edison has a real shot at the NHL. He's playing the best hockey of his life. Whenever he can, he travels home to his gruff sheriff and their laid-back cowboy, but there are no out gay players in the NHL. As a rookie working his ass off to be called up, he can't afford to make waves. Will Rice always figured he'd live alone, managing Graham and Annmarie Slater's cattle ranch, but a hot, young hockey player and a compact, muscled lawman rearranged his plans. Even though he's older and lanky and ordinary, he's been sharing their lives and their beds. He doesn't need to be out-- isn't sure he ever wants the Slaters to know about him. Life's good the way things are. Then Graham and Annmarie are killed in a hit and run that may not be an accident. As Will grieves, and Casey investigates, the coming changes will shake all their lives. ** this is a re-edit and expansion of the story in the "Hunting Under Covers" anthology

Powered by Ghosts Kaje Harper 2020-11-15 An untrained sorcerer and a reclusive necromancer face a ghost-infested town. Darien is free of his dead invaders, and his eyes have opened to a new reality. In a world of sorcerers and necromancers, he's full of power and potential, but completely ignorant. Necromancer Silas, and Silas's cat familiar, Grim, are teaching him basic skills, but danger won't hold off, just because he's not ready. Silas never planned to share his life with anyone, but after a week of shared battles and shared nights, Darien has become a fixture in his home. Silas has never met anyone with more raw magical ability, or less idea what to do with it. When Silas is offered a job hunting ghosts, he's tempted to refill his depleted bank account, but reluctant to bring untrained Darien along. Darien's eager

to help, though, and eventually Silas gives in. It's just a few ghosts. Nothing he hasn't handled before. What could go wrong?

Into Deep Waters Kaje Harper 2019-08-29 For Jacob and Daniel, two young gay men aboard a Navy ship in WWII, the risks were high. Not just the risks of injury and death from Japanese planes and submarines, but the risk of discovery, of discharge, imprisonment or worse. Only a special kind of love was worth taking that chance. But from the moment Daniel met Jacob's eyes across a battle-scarred deck, he knew he had to try. Being together required figuring out what it meant to be gay and in love with another man, in an era when they could be jailed or committed for admitting the desires of their hearts. On a ship at war, their relationship was measured in stolen moments and rare days of precious leave, with no guarantees there would be a tomorrow. And if they survived the war, they would need even more luck to keep their love alive through all the years to come.

Unwanted Appeal Kaje Harper 2021-03-16 Do strangers want to join Aaron's pack, or wipe it from the face of the earth? Aaron, Alpha of Minneapolis West, is tired of other werewolves threatening his pack for harboring a gay wolf and his mate. Werewolves have more important things to worry about, with humans closing in on discovering them. But the arrival of two strange wolves on his doorstep, asking for sanctuary, pits compassion against safety. Can he let these two in and still keep his pack and his mate Zach safe? Or is that a risk he can't afford to take? (34,000 words; This is a lightly edited re-release of the 2013 novella 2.5, renumbered to 3)

Consumed by Fire Kaje Harper 2022-08-20 Sometimes you have to fight fire with fire. Darien's ready for a quiet life— back to studying, sleeping with his ridiculously appealing necromancer, playing magical Fetch with his dog. But breaking the demon portals was only a temporary solution, when there are sorcerers out there rebuilding them. Much as he'd like to shove the rest of the job on someone else, Darien's not willing to see his world burn. Silas is ready to turn the whole hunting-dark-sorcerers mess over to the Guild. Except he doesn't trust his council members as far as he can throw them, the sorcerer

Chicago has sent sets his teeth on edge, and if they get it wrong, Darien's life is at risk. So with Grim at his side, and Pip encouraging Darien, they, Jasper, and Magda will take on one more hunt to find and stop the portal-builders.

Trapped by Greed Kaje Harper 2021-07-29 Silas Thornwood's worst nightmare has come to life. Darien's familiar Pip is gravely injured, and Darien and Jasper have been kidnapped. Someone ruthless and violent is holding the man Silas loves prisoner, for purposes he doesn't want to imagine. Silas needs help from his friends to locate and rescue Darien. And when he does, those responsible? whether sorcerer, human, or demon? are going to be truly, utterly sorry...

Sparring Partners John Grisham 2022-05-31 #1 NEW YORK TIMES BESTSELLER • John Grisham is the acknowledged master of the legal thriller. In his first collection of novellas, law is a common thread, but America's favorite storyteller has several surprises in store. "Homecoming" takes us back to Ford County, the fictional setting of many of John Grisham's unforgettable stories. Jake Brigrance is back, but he's not in the courtroom. He's called upon to help an old friend, Mack Stafford, a former lawyer in Clanton, who three years earlier became a local legend when he stole money from his clients, divorced his wife, filed for bankruptcy, and left his family in the middle of the night, never to be heard from again—until now. Now Mack is back, and he's leaning on his old pals, Jake and Harry Rex, to help him return. His homecoming does not go as planned. In "Strawberry Moon," we meet Cody Wallace, a young death row inmate only three hours away from execution. His lawyers can't save him, the courts slam the door, and the governor says no to a last-minute request for clemency. As the clock winds down, Cody has one final request. The "Sparring Partners" are the Malloy brothers, Kirk and Rusty, two successful young lawyers who inherited a once prosperous firm when its founder, their father, was sent to prison. Kirk and Rusty loathe each other, and speak to each other only when necessary. As the firm disintegrates, the resulting fiasco falls into the lap of Diantha Bradshaw, the only person the partners trust. Can she save the Malloys, or does she take a stand for the first time in her career and try to save

herself? By turns suspenseful, hilarious, powerful, and moving, these are three of the greatest stories John Grisham has ever told.

A Curse So Dark and Lonely Brigid Kemmerer 2019-01-29 A New York Times bestseller! "Has everything you'd want in a retelling of a classic fairy tale." - Jodi Picoult, New York Times bestselling author of A Spark of Light and Small Great Things "Absolutely spellbinding." - Stephanie Garber, #1 New York Times bestselling author of Caraval and Legendary In a lush, contemporary fantasy retelling of Beauty and the Beast, Brigid Kemmerer gives readers another compulsively readable romance perfect for fans of Marissa Meyer. Fall in love, break the curse. It once seemed so easy to Prince Rhen, the heir to Emberfall. Cursed by a powerful enchantress to repeat the autumn of his eighteenth year over and over, he knew he could be saved if a girl fell for him. But that was before he learned that at the end of each autumn, he would turn into a vicious beast hell-bent on destruction. That was before he destroyed his castle, his family, and every last shred of hope. Nothing has ever been easy for Harper. With her father long gone, her mother dying, and her brother barely holding their family together while constantly underestimating her because of her cerebral palsy, she learned to be tough enough to survive. But when she tries to save someone else on the streets of Washington, DC, she's instead somehow sucked into Rhen's cursed world. Break the curse, save the kingdom. A prince? A monster? A curse? Harper doesn't know where she is or what to believe. But as she spends time with Rhen in this enchanted land, she begins to understand what's at stake. And as Rhen realizes Harper is not just another girl to charm, his hope comes flooding back. But powerful forces are standing against Emberfall . . . and it will take more than a broken curse to save Harper, Rhen, and his people from utter ruin.

Newjack Ted Conover 2010-01-20 Acclaimed journalist Ted Conover sets a new standard for bold, in-depth reporting in this first-hand account of life inside the penal system at Sing Sing. When Ted Conover's request to shadow a recruit at the New York State Corrections Officer Academy was denied, he decided to apply for a job as a prison officer himself. The result is an unprecedented work of

eyewitness journalism: the account of Conover's year-long passage into storied Sing Sing prison as a rookie guard, or "newjack." As he struggles to become a good officer, Conover angers inmates, dodges blows, and attempts, in the face of overwhelming odds, to balance decency with toughness. Through his insights into the harsh culture of prison, the grueling and demeaning working conditions of the officers, and the unexpected ways the job encroaches on his own family life, we begin to see how our burgeoning prison system brutalizes everyone connected with it. An intimate portrait of a world few readers have ever experienced, *Newjack* is a haunting journey into a dark undercurrent of American life.

Unacceptable Risk Kaje Harper 2021-01-27 For a hidden shifter, falling in love with a man may be the death of them both. Simon Conley knows about being an outcast. Born into a secret werewolf pack, he's the lone gay wolf, an outsider even among his packmates. The top wolves consider him a perversion, a failure, and a security risk. To survive in the human world, werewolves rely on absolute secrecy, and any breaches of their code are dealt with swiftly—and violently. So when Simon falls in love with Paul, a human man, even his Alpha's grudging tolerance won't protect him. He must keep Paul from discovering the truth about him and the secrets the pack jealously guards, or it's not just their love that'll end up dead. (A rerelease of the 2012 novel with light editing and the 1.15 short story included)

Twelve Mighty Orphans Jim Dent 2007-09-04 Jim Dent, author of the New York Times bestselling *The Junction Boys*, returns with his most powerful story of human courage and determination. More than a century ago, a school was constructed in Fort Worth, Texas, for the purpose of housing and educating the orphans of Texas Freemasons. It was a humble project that for years existed quietly on a hillside east of town. Life at the Masonic Home was about to change, though, with the arrival of a lean, bespectacled coach by the name of Rusty Russell. Here was a man who could bring rain in the midst of a drought. Here was a man who, in virtually no time at all, brought the orphans' story into the homes of millions of Americans. In the 1930s and 1940s, there was nothing bigger in Texas high school football than the Masonic Home *Mighty Mites*—a group of orphans bound together by hardship and death. These

youngsters, in spite of being outweighed by at least thirty pounds per man, were the toughest football team around. They began with nothing—not even a football—yet in a few years were playing for the state championship on the highest level of Texas football. This is a winning tribute to a courageous band of underdogs from a time when America desperately needed fresh hope and big dreams. The Mighty Mites remain a notable moment in the long history of American sports. Just as significant is the depth of the inspirational message. This is a profound lesson in fighting back and clinging to faith. The real winners in Texas high school football were not the kids from the biggest schools, or the ones wearing the most expensive uniforms. They were the scrawny kids from a tiny orphanage who wore scarred helmets and faded jerseys that did not match, kids coached by a devoted man who lived on peanuts and drove them around in a smoke-belching old truck. In writing a story of unforgettable characters and great football, Jim Dent has come forward to reclaim his place as one of the top sports authors in America today. A remarkable and inspirational story of an orphanage and the man who created one of the greatest football teams Texas has ever known . . . this is their story—the original Friday Night Lights. "This just might be the best sports book ever written. Jim Dent has crafted a story that will go down as one of the most artistic, one of the most unforgettable, and one of the most inspirational ever. Twelve Mighty Orphans will challenge Hoosiers as the feel-good sports story of our lifetime. Naturally, being from Texas, I am biased. Hooray for the Mighty Mites." —Verne Lundquist, CBS Sports "Coach Rusty Russell and the Mighty Mites will steal your heart as they overcome every obstacle imaginable to become a respected football team. Take an orphanage, the Depression, and mix it with Texas high school football, and Jim Dent has authored another winner, this one about the ultimate underdog." —Brent Musburger, ABC Sports/ESPN "No state has a roll call of legendary high school football stories like we do in Texas, and, admittedly, some of those stories have been 'expanded' over the years when it comes to the truth. But let Jim Dent tell you about the Mighty Mites of Masonic Home, the pride of Fort Worth in the dark days of the Depression. Read this book. You will think it's fiction. You will think it's a Hollywood script. But Twelve

Mighty Orphans is the truth, and nothing but. It is powerful stuff. Some eighty years later, the Mighty Mites' story remains so sacred, not even a Texan would dare tamper with these facts. And Jim Dent tells it like it was." — Randy Galloway, columnist, Fort-Worth Star Telegram

Japanese Home Cooking Sonoko Sakai 2019-11-19 The essential guide to Japanese home cooking—the ingredients, techniques, and over 100 recipes—for seasoned cooks and beginners who are craving authentic Japanese flavors. Using high-quality, seasonal ingredients in simple preparations, Sonoko Sakai offers recipes with a gentle voice and a passion for authentic Japanese cooking. Beginning with the pantry, the flavors of this cuisine are explored alongside fundamental recipes, such as dashi and pickles, and traditional techniques, like making noodles and properly cooking rice. Use these building blocks to cook an abundance of everyday recipes with dishes like Grilled Onigiri (rice balls) and Japanese Chicken Curry. From there, the book expands into an exploration of dishes organized by breakfast; vegetables and grains; meat; fish; noodles, dumplings, and savory pancakes; and sweets and beverages. With classic dishes like Kenchin-jiru (Hearty Vegetable Soup with Sobagaki Buckwheat Dumplings), Temaki Zushi (Sushi Hand Rolls), and Oden (Vegetable, Seafood, and Meat Hot Pot) to more inventive dishes like Mochi Waffles with Tatsuta (Fried Chicken) and Maple Yuzu Kosho, First Garden Soba Salad with Lemon-White Miso Vinaigrette, and Amazake (Fermented Rice Drink) Ice Pops with Pickled Cherry Blossoms this is a rich guide to Japanese home cooking. Featuring stunning photographs by Rick Poon, the book also includes stories of food purveyors in California and Japan. This is a generous and authoritative book that will appeal to home cooks of all levels.

I Don't Agree Michael Brown 2020-07-01 Did you know you're likely to have had over 89,000 heated altercations with your closest relations before you reached the age of eight? By age 16, thousands more hours will have been spent by most of us in some form of disagreement with those in our extended social networks. As a species, we're well practised at falling out with each other. We may even have a gene for it – certainly, some of us seem to be gifted. When it comes to finding resolutions, however, things don't

come quite so naturally: as much as 90% of all inter-personal conflicts never reach agreement. But it doesn't have to be this way. *I Don't Agree* is a fascinating exploration of new, powerful and surprising solutions to an ancient problem: why we disagree so much. It shows how to sidestep our animosities and get great things done, despite our differences. Underpinned by cutting-edge research and academic thinking (as well as fascinating real-life case studies and easy-to-use tools), author and marketeer Michael Brown reveals the eye-opening secrets that can lead to better leadership, stronger teams, swifter promotions, more effective collaboration, better organisational culture – as well as radically improving your life outside of work.

The Great Realization Tomos Roberts (Tomfoolery) 2020-09-01 Selected by Today as a book "to ease kids' anxiety about coronavirus." We all need hope. Humans have an extraordinary capacity to battle through adversity, but only if they have something to cling onto: a belief or hope that maybe, one day, things will be better. This idea sparked *The Great Realization*. Sharing the truths we may find hard to tell but also celebrating the things—from simple acts of kindness and finding joy in everyday activities, to the creativity within us all—that have brought us together during lockdown, it gives us hope in this time of global crisis. Written for his younger brother and sister in response to the Covid-19 pandemic, Tomos Roberts's heartfelt poem is as timely as it is timeless. Its message of hope and resilience, of rebirth and renewal, has captured the hearts of children and adults all over the globe—and the glimpse it offers of a fairer, kinder, more sustainable world continues to inspire thousands every day. With Tomos Roberts's heartfelt poem and beautiful illustrations by award-winning artist Nomoco, *The Great Realization* is a profound work, at once striking and reassuring, reminding readers young and old that in the face of adversity there are still dreams to be dreamt and kindnesses to be shared and hope. There is still hope. We now call it *The Great Realization* and, yes, since then there have been many. But that's the story of how it started . . . and why hindsight's 2020.

Home Work Kaje Harper 2012-10 Coming together as a family was supposed to make life happy-ever-

after for Mac and Tony, but their two uprooted kids, demanding jobs, and a less than gay-friendly world don't seem to have gotten the message. Mac and Tony thought the hard part was over. They're together openly as a couple, sharing a home and building a life with their two children. It's what they dreamed of. But daughter Anna struggles with the changes, Ben is haunted by old secrets, Mac's job in Homicide still demands too much of his time, and Tony is caught in the middle. It's going to take everything these men can give to create a viable balance between home and work. Especially when the outside world seems determined to throw obstacles in their way.

EllRay Jakes the Dragon Slayer Sally Warner 2013-05-16 EllRay Jakes is a small kid with big problems! EllRay Jakes may be the smallest kid in his class at Oak Glen Primary School, but he's also his sister Alfie's big brother. So when it looks like Alfie is being bossed around by a dragon-like girl at her school, EllRay feels responsible. As her older (and wiser!) brother, shouldn't he show her that she should stand up for herself? But little sisters and four year old dragons are a bit more complicated than he thought. . . . Check out the other books in the EllRay Jakes series: EllRay Jakes Is Not A Chicken!, EllRay Jakes is a Rock Star!, and EllRay Jakes Walks the Plank!

Life Lessons Kaje Harper 2011-05 Tony Hart's life has been quiet lately. He has good friends and a rewarding teaching job. Then the murdered body of another teacher falls into the elevator at his feet, and Tony's life gets a little too exciting. Jared MacLean is a homicide detective, a widowed father, and deeply in the closet. But from the moment he meets Tony's blue eyes in that high school hallway, Mac can't help wanting this man in his life. However Mac isn't the only one with his eyes on Tony. As the murderer tries to cover his tracks, Mac has to work fast or lose Tony, permanently.

Unplanned Coda Kaje Harper 2021-10-23 He'll get by with a little help from his mate. When Paul's long-buried past reaches out for him, having Simon at his back should make all the difference. The shy, studious teen who ditched his hometown is now a grown man with a good life, an honorable profession, and a werewolf boyfriend. So why is still so hard to go home? A new 37,000 word novella in the same

time frame as book 6 in the Hidden Wolves series brings challenges, pain, love, and their HEA for our favorite guys. Content warning for assisted suicide.

ALEC Kaje Harper 2022-09-13 Coming back from loss, one heartbeat at a time. Alec ran from his grief over the death of his son, throwing a few things in his car and driving west. In the town of Gaynor Beach, CA, he hit the shore and stopped. The next step would be off a broken pier into the ocean and although he stands daily watching the waves, he's not quite ready for that. Especially when a young voice like his son's, behind him, says, "Hey, Mister, you wanna see a picture of an albatross?" Joe brought his preteen son to Gaynor Beach, looking for a better place to raise his kid. Kevin loves California—the beaches, the marine life, the weather, and the freedom. But when Joe finds out Kevin's "ghost down by the pier" is a living, grieving, and much too appealing man, this simple new life is about to change, for all of them. * hurt-comfort, single dad, grief and recovery, sweet rescue dog, bright preteen, HEA The books in the Single Dads of Gaynor Beach series stand alone, but why not check them all out and meet the wide range of complicated, wonderful men raising kids in this fictional California town.

The Rebuilding Year Kaje Harper 2017-06-26 It took losing nearly everything, to discover what they can't live without. A few excruciating minutes pinned under a burning beam cost Ryan Ward his job as a firefighter, the easy camaraderie of his coworkers, his current girlfriend, and damn near cost him his left leg. Giving up, though, wasn't an option. He fought and won the battle back to health, over a painful year. Now, choosing a new profession, going back to school, and renting a room from the college groundskeeper should be simple. Until he realizes he's falling in love with his housemate, and things take a turn for the complicated. John Barrett knows about loss. After moving twice to stay in touch with his kids, he could only watch as his ex-wife whisked them away to California. Offering Ryan a room seems better than rattling around his empty house alone. But as casual friendship moves to something more, and emotions heat up, the big old house feels like tight quarters. It's nothing they can't learn to navigate, until life adds in unhappy teen kids, difficult family members, and mysterious deaths on campus.

Rebuilding will be far from easy, even for two guys willing to open their minds, and hearts.

Carved in Flesh Angelia Sparrow 2012-09 People often say that the true perfection in the human form is in its imperfections. Scars are visceral reminders of a person's past, a sign of an event that can never fade. Whether it was gained in combat, a traumatic experience, or part of a ritual with a lover, scars are the ultimate labels. They leave a permanent mark on the body and spirit that, one way or another, change a person forever. Veld is an Elf who has known for years that his mute friend Oren is spoken for; the design of scars spanning Oren's torso reminds him with every look. When Oren's vowed, Haram, is killed, Veld must not only help to prove his own innocence, but also tread carefully as he discovers "Oren's Right" and Haram's last request. Next, "Tiocfaidh Ar La"- "our day will come"-was the cry in Joe Colson's heart, even as he fled his beloved Ireland to hide from his sins in the States. He'd assumed his chances for love were long past when a much younger man rekindles something in him he'd thought long dead. A near-fatal car accident leaves superstar model Ashley's face permanently scarred and his career into a tailspin. Only his lover, Will, can pull him out of his depression, provided his affection hasn't turned to "Faded Love." Young Timothy has come to Larry for "Scar Therapy." But Tim is seeking healing of a different kind, and Larry finds that he has his own wounds that need tending. Garvin's scars are a "Gift of the Goddess," seared into his skin as a beacon to find his kidnapped love, Nyle. Rescuing him, though, may entail a deeper wound than even the Goddess would bestow. Finally, when Kanovan returns from his off-world tour, his lover Mirin finds a lover's mark he hadn't expected. Mirin must re-evaluate how much Kanovan means to him, and what he must do to make Kanovan always "Sojourn Home" to him."

So That Happened Jon Cryer 2016-04-05 In 1986, Jon Cryer won over America as Molly Ringwald's loyal and lovable best friend Duckie in the cult classic *Pretty in Pink* (Paramount) and went on to play Alan Harper on the massively popular sitcom *Two and a Half Men*. With the instincts of a natural storyteller, Cryer charts his extraordinary journey in show business, illuminating his many triumphs and some missteps along the way. Filled with exclusive behind-the-scenes anecdotes, Cryer offers his own

endearing perspective on Hollywood, the business at large and the art of acting.

Beset by Demons Kaje Harper 2022-02-22 They'll take a leap into the unknown to protect the world. There's something seriously wrong with Earth's magic. A demon has appeared unsummoned out of thin air, familiars can't return Home, and as Grim points out, rats smell like summer in the middle of winter. Grim and Pip can deal with rats; Silas can banish one wayward demon. But soon there are other demons, more each day, and Silas's old mansion is full of mysteries. He and Darien will need their familiars, their friends, plus a whole lot of luck, as they search beyond Earth for the dark forces that have changed their world. And to have any chance of getting safely home, Silas will have to confront a past he's avoided for ten long years.

Good to Great Jim Collins 2011-07-19 The Challenge Built to Last, the defining management study of the nineties, showed how great companies triumph over time and how long-term sustained performance can be engineered into the DNA of an enterprise from the very beginning. But what about the company that is not born with great DNA? How can good companies, mediocre companies, even bad companies achieve enduring greatness? The Study For years, this question preyed on the mind of Jim Collins. Are there companies that defy gravity and convert long-term mediocrity or worse into long-term superiority? And if so, what are the universal distinguishing characteristics that cause a company to go from good to great? The Standards Using tough benchmarks, Collins and his research team identified a set of elite companies that made the leap to great results and sustained those results for at least fifteen years. How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck. The Comparisons The research team contrasted the good-to-great companies with a carefully selected set of comparison companies that failed to make the leap from good to great. What was different? Why did one set of companies become truly great performers while the other set remained only

good? Over five years, the team analyzed the histories of all twenty-eight companies in the study. After sifting through mountains of data and thousands of pages of interviews, Collins and his crew discovered the key determinants of greatness -- why some companies make the leap and others don't. The Findings

The findings of the Good to Great study will surprise many readers and shed light on virtually every area of management strategy and practice. The findings include:

- Level 5 Leaders: The research team was shocked to discover the type of leadership required to achieve greatness.
- The Hedgehog Concept (Simplicity within the Three Circles): To go from good to great requires transcending the curse of competence.
- A Culture of Discipline: When you combine a culture of discipline with an ethic of entrepreneurship, you get the magical alchemy of great results.
- Technology Accelerators: Good-to-great companies think differently about the role of technology.
- The Flywheel and the Doom Loop: Those who launch radical change programs and wrenching restructurings will almost certainly fail to make the leap.

"Some of the key concepts discerned in the study," comments Jim Collins, "fly in the face of our modern business culture and will, quite frankly, upset some people." Perhaps, but who can afford to ignore these findings?
