The Greenhouse Gardener Anne Swithinbank 2012-03-27 A greenhouse can be a garden's greatest asset: its nucleus and powerhouse. There are many ways of using it and a gardener can adopt one or all of them. In spring, you can start young plants from seed; raise tender perennials to fill gaps in the garden; give young vegetable plants a head start; sow early lettuce while the soil is too sticky to work outdoors. During spring and summer, you can raise greenhouse crops like tomatoes, cucumbers, aubergines and chillis. You'll be able to overwinter tender plants such as bananas and cannas. And the greenhouse can be a showcase full of beautiful, unusual and exotic plants. Trained at Kew and for many years Glasshouse Supervisor at the RHS Garden at Wisley, Anne Swithinbank is the expert on greenhouse gardening, and in this book she comprehensively describes the techniques that will allow you to greatly expand the growing capabilities of your garden.

It seemed so magical to the ancient Greeks that they attributed the moment of inspiration to muses rather than people. We now know that was baloney. This book exposes creativity as a process. It shows that there are certain steps you need to follow before you can be struck by that moment of creative genius. It shows you how to get your mind into the right place to come up with ideas. And it gives you some techniques to help you approach problems in different ways.

The Apostles' Creed Marshall D. Johnson 2009 'I believe in God, the Father almighty, creator of heaven and earth...' In the majestic opening phrases of the Apostles' Creed we hear the passion of the early Church to define and substantiate the core of Christian belief. In the face of numerous prevailing heresies, the Apostles' Creed declared the uniqueness of the Three-in-One God and the universal scope of the divine work of salvation. This book is an accessible introduction to what remains the most widely used of all Christendom's confessions of faith. Going through each phrase of the Apostles' Creed in turn, the author unpacks the meaning and explains its significance both historically and for Christians today. While the creed does not spell out how we are to live as disciples day by day, it is a unique 'rule of faith' that provides continuity of belief from generations past into our own time. Contents list:•Why creeds?•I believe in God, the Father Almighty, creator of heaven and earth•I believe in Jesus Christ, God's only Son, our Lord•He was conceived... and born•He suffered, was crucified, died, was buried•The great omission: between birth and death•He descended... rose... ascended... will come to judge•I believe in the Holy Spirit•I believe in the holy catholic Church, the communion of saints•I believe in the forgiveness of sins•I believe in the resurrection and the list everlasting•Questions for reflection and discussion
