Mastering Single Best Answer Questions for the Part 2 MRCOG Examination Adel Elkady 2017-05-31 This comprehensive question-and-answer resource covers all aspects of the curriculum for the Part 2 MRCOG examination. Candidates are given the opportunity to practise the Single Best Answer question style, to cover the content they will encounter in the examination and to assess their knowledge. As consultants actively engaged in the writing of the Part 2 Single Best Answers, the authors and editor have provided directly applicable questions. Candidates to review the syllabus in an organised, systematic manner, with comprehensive explanations for each answer. This title also includes new sections on ethics, training, audit and clinical governance. Mock exams are also available online to familiarise candidates with the real-life examination. The detailed answers, evidence and comprehensive list of references offer an excellent training and reading source for all candidates preparing for the Part 2 MRCOG examination.

SBA's and EMQ's for MRCOG II Chinmayee Ratha 2016-02-15 This book is a comprehensive collection of questions in the "single best answer (SBA)" format for the MRCOG2 theory exam. This new format has been introduced in the exam paper from March 2015 and most candidates are still getting used to the change. This book will provide them ample opportunity to familiarize themselves with the concept and then practice answering the questions based on almost all subjects included in the MRCOG 2 theory syllabus. Preparing for the MRCOG2 exam is a daunting task for all Obstetrics and Gynecology doctors. The college constantly reforms the exam structure in an effort to optimize the evaluation process. The endeavor of the authors is to equip the candidates with a vision of the holistic nature of the exam so that they master the art of answering SBA questions.

MRCOG Part One Alison Fiander 2016-10-13 A fully updated and illustrated handbook providing comprehensive coverage of all curriculum areas covered by the MRCOG Part 1 examination.

Bu shou pin tu fan fan shu 2004

EMQ's for the MRCOG Part 2 in Gynaecology Prabha Sinha 2014-07-21 In 2011 the format of the Part 2 MRCOG written examination changed, the number of EMQs increased from 40 to 90. EMQs now make up 40% of overall marks. Therefore it is crucial that a candidate has experience and practice in answering them beforehand. This book is a perfect introduction to the Part 2 MRCOG exam. It is a companion to the earlier publication from the same authors, EMQs FOR MRCOG PART 2 IN Gynaecology. It features 160 questions covering the subject of gynaecology, and is primarily based on guidelines published by the RCOG, the National Institute for Health and Clinical Excellence (NICE) and the most up-to-date research and consensus. The book contains evidence-based answers, so candidates will find them easy to understand. All the questions are based on real clinical scenarios commonly encountered in day-to-day clinical practice - outpatient clinics, acute admissions from accident and emergency, and labour wards. Full details about the exam itself are available on the RCOG website. This book follows the established format; just choose the most appropriate answer for each question. It is important to read the statements carefully to identify the theme and then select the most relevant and appropriate answer. This book will coach students to answer EMQs effectively. It is a must read for Part 2 MRCOG exam revision.

Past Papers MRCOG Part Two Multiple Choice Questions MRCOG Examination Committee 2004-06-01 The Part 2 MRCOG consists of three question formats: multiple choice questions (MCQs), extended matching questions (EMQs) and short answer questions (SAQs). This book provides a verbatim transcript for the MCQ element of each of the 10 papers set between 1997 and 2001, giving candidates the opportunity to test their knowledge and preparedness for the examination against real questions.

MCQ's for MRCOG Part 1 Richard de Courcy-Wheeler 2003-09-26 This book includes MCQs in the basic sciences that underpin the study of obstetrics and gynaecology, as is examined in Part 1 of the membership examination. Following the syllabus recommended by the RCOG, the questions are arranged in papers of 60 questions, each question having 5 stems with True/False answer options. Full answers with explanatory text will be provided. Where appropriate the answers will be supplemented by key message boxes and footnotes to direct further study - in this way the book can be used as a study guide as well as a tool for revision and self-assessment. A unique feature of the book will be the accompanying CD-ROM. Using this the candidate will be able to select at random questions to make up a practice paper which they can sit under 'examination conditions'. When the candidate has completed the mock examination the program will calculate their scores and indicate whether this would represent a 'good pass / pass / borderline pass or fail'. As with the text, full explanations of the answers will be provided.

MRCOG Part 2 Shailaja Rao Puppala 2018-03-31 This book is a complete revision guide for trainees preparing for MRCOG Part 2 examinations. Divided into eleven sections, 500 SBA (single best answer) questions with detailed answers and explanations, cover eighteen different modules covered in the examination including surgeries, antenatal care, infertility, early pregnancy care, gynaecology, and more. Questions are based on previous examinations and each one features references, including RCOG and NICE guidelines, and suggestions for further reading.

Compiled by experts from Coventry and Warwickshire NHS Trust and Birmingham Women's and Children's NHS Foundation Trust, the book also includes two practice question papers to assist students with revision. Key points Complete MRCOG Part 2 revision guide Features 500 SBA questions with detailed answers and explanations Includes references based on RCOG and NICE guidelines Two practice question papers are provided to assist revision

With over 50% new content, MRCOG Part 2: 500 SBAs and EMQs offers the most up-to-date and comprehensive set of practice questions for trainees preparing for the MRCOG Part 2 exam. Chapters are mapped to the syllabus to deliver structured revision in all the key topics tested in the exam. Featuring a wealth of practice questions and fully descriptive answers, this book provides the essential revision text to maximise chances of exam success. Key Points 500 questions, comprising 250 SBAs and 250 EMQs, reflecting the breadth of topics encountered in the actual exam Questions structured around MRCOG syllabus core modules, ensuring complete coverage for the exam Answers feature concise descriptions to consolidate knowledge and understanding Extensive evidence-based referencing to relate theory to clinical practice Visually-enhanced answers to improve understanding of key concepts

Concise Practice Essays for MRCOG 2 Solwayo Ngwenya 2006-07-10 Features 100 short essay questions on commonly examined topics from the syllabus, which are accompanied by answers presented as essay plans. In each answer, the authors have included salient points, in list form, and have indicated a mark for each point.

The Secrets of MRCOG Medhat Hassanaien 2007

Get Through MRCOG Part 2: EMQs Justin C Konje 2009-10-30 Modelled on the current MRCOG syllabus, Get Through MRCOG Part 2: EMQs is designed to test candidates' theoretical and practical knowledge of obstetrics and gynaecology. The book opens with an introductory section explaining the format of the examination, providing advice on how to prepare for it and how EMQs should be approached in order to obtain the highest marks. 320 EMQs are presented in the form of eight practice papers, reflecting the level of difficulty and style of the actual examination, and each answer is supplemented with a detailed explanation to help candidates assess and improve their own level of knowledge. Providing an invaluable bank of revision questions, Get Through MRCOG Part 2: EMQs is the essential revision guide for all specialist trainees preparing for this examination. The book is comprehensive and authoritative: Justin Konje was closely involved in pioneering the introduction of EMQs into the MRCOG examination and runs a highly regarded MRCOG Part 2 course in the UK.

Get Through Mrcog Part 2: Short Answer Questions Euan Kevelighan 2018-09-18 Get Through MRCOG Part 2: Short Answer Questions is an essential revision guide for candidates preparing for the MRCOG Part 2 exam. This comprehensive collection of practice Short Answer Questions (SAQs) is designed to help candidates test and assess their own knowledge, aiding thorough preparation for the exam. The book opens with an introduction to the exam and includes advice on how to prepare for it, information on what to expect, and guidance on how to write excellent answers. This is followed by two sections: the first provides a wide range of SAQs divided into obstetric and gynaecological topics, and the second presents six practice exams set out in the format of the actual exam. For each question, the authors highlight the key words in the question, followed by a brief essay plan and then give a worked example answer. The specimen answers indicate how many marks the candidate would obtain for each point made, and are supplemented with valuable extra information and further reading, to enhance understanding and aid further revision. with valuable extra information and further reading, to enhance understanding and aid further revision.

SBA Questions for the Part 2 MRCOG Amanda Jones 2015-02-26 SBA Questions for the Part 2 MRCOG contains two hundred practice single best answer questions and explanations accredited by RCOG.

Complete Revision Guide for MRCOG Part 2 Justin C. Konje 2019-12-17 The examination for Membership of the Royal College of Obstetricians and Gynaecologists (MRCOG) remains one of the most internationally recognised postgraduate examinations in the specialty. Over the years, the examination has evolved in keeping with changes in medical education; the Part 2 examination now consists of two papers made up of Single Best Answer (SBA) questions and Extended Matching Questions (EMQ). This invaluable resource consists of 400 SBA questions (200 in Obstetrics and 200 in Gynaecology), followed by 400 EMQs (200 in Obstetrics and 200 in Gynaecology), grouped into papers, to provide enough material to guide preparations and to give some practice experience of the examination formats. All the questions have answers with explanations and sources of evidence. In preparing for the examination, candidates should make repeated references to these sources of evidence. There is also general advice on how to prepare for the examination and discussion of the reasons why trainees fail the examination.

MRCOG Part 1: 400 SBAs Katherine Andersen 2022-07-31 The third edition of MRCOG Part 1: 400 SBAs has been completely updated to include questions and answers in the SBA (Single Best Answer) format only. Building on the success of the previous editions, the book is a 'must-have' revision text for candidates preparing for the MRCOG Part 1 examination. With 400 SBA questions covering basic and clinical science key to passing the exam, MRCOG Part 1: 400 SBAs, Third Edition includes more clinical images than its predecessors and features updated guidance together with many new questions. Chapters are mapped to the syllabus to deliver structured revision in all the key topics tested in the exam. Featuring a wealth of practice questions and fully descriptive answers, this book provides the essential revision aid to maximise chances of exam success. Key Points 400 single best answer questions, reflecting the breadth of topics encountered in the actual exam Answers feature concise descriptions to consolidate knowledge and understanding Extensive evidence-based referencing to relate theory to clinical practice Includes two mock papers to practise exam technique Previous edition (9781909836464) published in 2016

Part 3 MRCOG Lisa Joels 2016-09-15 Written by two experienced RCOG examiners, both of whom have been involved in the development of the new Part 3 MRCOG examination, this book is essential reading for any trainee preparing to sit the exam. The authors clearly describe the breadth and depth of the curriculum modules and the professional behaviours that will be assessed in the five clinical skills domains. The text includes written examples of every module, links to eight videos showing candidates attempting four real Part 3 tasks, examiners' comments, and a detailed discussion of each example. The content will help candidates understand what is required to pass the examination and how to demonstrate their knowledge and skills to best effect. The book will also be useful for trainers preparing their trainees for the new exam. Based on the principles of good medical practice, there are practical tips here for doctors and obstetricians at all levels.

Part 1 MRCOG Revision Notes and Sample SBAs Neelanjana Mukhopadhaya 2020-12-10 This concise yet comprehensive guide is focused on the curriculum and current exam style of the MRCOG Part 1 examination. It integrates clinical knowledge with basic science, providing readers with a deeper understanding of pathophysiology of medical disorders in obstetrics and gynaecology. The lead editor is a member of the Part 1 Examination Committee and her insights are skilfully woven into the book's revision notes, sample Single Best Answer (SBA) question and answer explanations, and tips on exam technique. The book encourages a structured thought process to develop, making it easier for clinicians to make differential diagnoses and conduct relevant investigations and treatment plans. The focus on basic sciences also endows readers with the ability to develop research ideas and evaluate findings. Featuring easy-to-read text, highlighted key points, illustrations, and plenty of practice papers, this succinct guide is essential preparation reading for trainee obstetricians and gynaecologists taking the challenging Part 1 MRCOG exam.

EMQ's for MRCOG Part 2 in Obstetrics P. Sinha 2011-05-02 From March 2011 the format of the Part 2 MRCOG written examination has changed, the number of EMQs has increased from 40 to 90. EMQs now make up 40 per cent of overall marks. Therefore it is crucial that a candidate has experience and practice in answering them beforehand. This book is a perfect introduction to the Part 2 MRCOG exam. It features 160 questions covering most of the subject of obstetrics practice, and is primarily based on guidelines published by the RCOG, the National Institute for Health and Clinical Excellence (NICE) and the most up-to-date research and consensus. This book contains evidence-based answers, so candidates will find them easy to understand. All the questions are based on real clinical scenarios commonly encountered in day-to-

day clinical practice - outpatient clinics, acute admissions from accident and emergency, and labour wards. Full details about the exam itself are available on the RCOG website. This book follows the established format; just choose the most appropriate answer for each question. It is important to read the statements carefully to identify the theme and then select the most relevant and appropriate answer. This book will coach students to answer EMQs effectively. It is a must read for Part 2 MRCOG exam revision.

SAQs, MCQs, EMQs and OSCEs for MRCOG Part 2, Second edition Justin Konje 2009-03-27 This book established itself in its first edition as the definitive 'one-stop-shop' revision aid; the only one available to encompass all elements of the MRCOG Part 2 examination in a single volume. Now incorporating practice EMQs as well as the standard question types, this second edition will ensure that it retains its place on the 'must-have' list for every candidate preparing for this exam. Concentrating on testing the candidate's theoretical and practical knowledge as recommended in the current MRCOG syllabus, the book tests the trainee with questions in obstetrics and gynaecology and those aspects of medicine, surgery and paediatrics relevant to the practice of both. The book is divided into four key parts, one for each style of question, each of which opens with an introductory section on how to approach the exam and, crucially, how to fail it. # Part 1 provides a series of short answer practice papers. Common mistakes are highlighted as well as a list of key points required to get full marks. A sample answer is given for each question # Part 2 contains a mock paper for the MCQ part of the exam, containing 225 questions with answers and helpful annotations # Part 3 introduces the EMQ, giving the reader 40 questions in the style of the examination, together with answers and explanatory notes # Part 4 is devoted to the OSCE, with descriptions of 20 sample stations assessing different aspects of clinical practice, advice on how to tackle these, and suggested marking schemes. Throughout, questions have been designed to test factual knowledge and understanding, problem-solving ability, and clinical and communication skills.

Past Papers 2004

SBA for the MRCOG Mirka Slavka 2017-09-04 The Part 2 MRCOG exam consists of single best answer questions (SBAs) and extended matching questions (EMQs). It is vital that candidates have revised in accordance with the recommended syllabus and practiced relevant questions for the exam. The 3 authors of SBAs for MRCOG Part 2 have all recently sat the exam themselves, and were therefore able to identify gaps in the SBAs that previously were not addressed or assessed by available literature. This book provides questions and answers, explanations and references, which cover every subject, including clinical governance, statistics, colposcopy and HPV, oncology, fertility, urogynaecology and maternal mortality. SBAs for MRCOG Part 2 is divided in two parts: questions and answers. The first part contains over 300 questions covering 18 recommended modules. These are then followed by mock gynaecology and obstetrics exams, each with the requisite 50 questions. The second part gives the answers to each question, as well as a thorough explanation and also an up to date reference for further reading. This book can be used for individual reading or as source material for group revision.

MRCOG: Part 1 Mcqs Khaldoun W. Sharif 1995 This excellent review guide contains 500 questions and answers organized by the 12 topics covered on Part 1 of the MRCOG examination.
