Conditions of Participation (CoPs) - Centers for Medicare

practical (vocational) nurses, and other personnel to provide nursing care to all patients as needed. There must be supervisory and staff personnel for each department or nursing unit to ensure, when needed, the immediate availability of a registered nurse for the care of any patient.”

Handbook for Phase 1 habitat survey - JNCC

a practical proposition. The nature and condition of the vegetation embodies information about many of the living and non-living components of the environment. A study of the vegetation can thus provide an effective means of classifying and surveying habitats. Ideally, a Phase 1 habitat survey should be followed up by a Phase 2 survey. This ...
