Marguerite Henry 2001-06-01 Sham and the stable boy Agba travel from Morocco to France to England where, at last, Sham's majesty is recognized and he becomes the "Godolphin Arabian," ancestor of the most superior Thoroughbred horses.

The Ant King and Other Stories Benjamin Rosenbaum 2008 A collection of short stories that merges fantasy and science fiction, including "Orphans," where an emancipated group of children go house shopping.

Autobiography of Thomas Jefferson Thomas Jefferson 2017-07-20 This short but richly detailed memoir by Thomas Jefferson offers a rare autobiographical glimpse into the fascinating mind of this Founding Father during the tumultuous events of his remarkable public career. In addition to being America's third President, Jefferson was Minister to France during the early stages of the French Revolution, wartime Governor of Virginia, Washington's Secretary of State and Vice President during the John Adams administration. This new edition of the Autobiography includes an essay on Jefferson by historian Elbert Hubbard.

Where Do We Go from Here? Kimberly L. Watkins 2019-12-10 As the characters go through their daily journeys, each one finds themselves often pondering the question: Where do we go from here? Some will realize the answer to that question, while others will be left to figure out which way to turn next. Interwoven in this novel are issues and lessons related to friendship, love, death, family secrets, betrayal, heartbreak and pure bliss. Set in the suburbs of Maryland and the Washington Metropolitan area, you'll take a ride through the characters'

lives that will touch your heart and leave you wanting more.

**The Ant King and Other Stories** Benjamin Rosenbaum 2008 A collection of short stories that merges fantasy and science fiction, including "Orphans," where an emancipated group of children go house shopping.

**The Year's Best Science Fiction: Twenty-Sixth Annual Collection** Gardner Dozois 2009-06-23 The thirty stories in this collection imaginatively take us far across the universe, into the very core of our beings, to the realm of the gods, and the moment just after now. Included here are the works of masters of the form and of bright new talents, including: Paolo Bacigalupi, Stephen Baxter, Elizabeth Bear, Aliette de Bodard, James L. Cambias, Greg Egan, Charles Coleman Finlay, James Alan Gardner, Dominic Green, Daryl Gregory, Gwyneth Jones, Ted Kosmatka, Mary Robinette Kowal, Nancy Kress, Jay Lake, Paul McAuley, Ian McDonald, Maureen McHugh, Sarah Monette, Garth Nix, Hannu Rajaniemi, Robert Reed, Alastair Reynolds, Mary Rosenblum, Kristine Kathryn Rusch, Geoff Ryman, Karl Schroeder, Gord Sellar, and Michael Swanwick. Supplementing the stories are the editor's insightful summation of the year's events and a lengthy list of honorable mentions, making this book both a valuable resource and the single best place in the universe to find stories that stir the imagination, and the heart.

**Three Messages and a Warning** Eduardo Mayo 2012-02-14 A radical combination of emerging and established Mexican authors of original tales of the fantastic.

**The Road** Cormac McCarthy 2007-03-20 NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to

survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

Ambiguity Machines Vandana Singh 2018-02-13 Philip K. Dick Award finalist Praise for Vandana Singh: “A most promising and original young writer.”—Ursula K. Le Guin “Lovely! What a pleasure this book is . . . full of warmth, compassion, affection, high comedy and low.”—Molly Gloss, author of *The Hearts of Horses* “Vandana Singh’s radiant protagonist is a planet unto herself.”—*Village Voice* “Sweeping starscapes and daring cosmology that make Singh a worthy heir to Cordwainer Smith and Arthur C. Clarke.”—Chris Moriarty, *Fantasy & Science Fiction* “I’m looking forward to the collection . . . everything I’ve read has impressed me—the past and future visions in ‘Delhi’, the intensity of ‘Thirst’, the feeling of escape at the end of ‘The Tetrahedron’...” —Niall Harrison, *Vector* (British Science Fiction Association) “...the first writer of Indian origin to make a serious mark in the SF world ... she writes with such a beguiling touch of the strange.” —Nilanjana Roy, *Business Standard* In her first North American collection, Vandana Singh’s deep humanism interplays with her scientific background in stories that explore and celebrate this world and others and characters who are trying to make sense of the people they meet, what they see, and the challenges they face. An eleventh century poet wakes to find he is as an artificially intelligent companion on a starship. A woman of no account has the ability to look into the past. In "Requiem," a major new novella, a woman goes to Alaska to try and make sense of her

aunt's disappearance. Singh's stories have been performed on BBC radio, been finalists for the British SF Association award, selected for the Tiptree award honor list, and oft reprinted in Best of the Year anthologies. Her dives deep into the vast strangeness of the universe without and within and with her unblinking clear vision she explores the ways we move through space and time: together, yet always apart.

The Ant King Benjamin Rosenbaum 2008-08-01 "Rosenbaum's *The Ant King and Other Stories* contains invisible cities and playful deconstructions of the form. In "Biographical Notes to 'A Discourse on the Nature of Causality, With Air-Planes,'" by Benjamin Rosenbaum"—yes, his name is part of the title—the author imagines a world whose technologies and philosophies differ wildly from ours. The result is a commentary on the state of the art that is itself the state of the art." —Los Angeles Times Favorite Books of 2008 \* "Give him some prizes, like, perhaps, "best first collection" for this book." —Booklist (Starred review, Top 10 SF Books of the Year) "Featuring outlandish and striking imagery throughout—a woman in love with an elephant, an orange that ruled the world—this collection is a surrealistic wonderland." —Publishers Weekly "Rosenbaum proves he's capable of sustained fantasy with "Biographical Notes," a steampunkish alternate history of aerial piracy, and "A Siege of Cranes," a fantasy about a battle between a human insurgent and the White Witch that carries decidedly modern undercurrents.... Perhaps none of the tales is odder than "Orphans," in which girl-meets-elephant, girl-loses-elephant." —Kirkus Reviews "Urbane without being arch, sweet without being maudlin, mysterious without being cryptic."—Cory Doctorow, *Boing Boing* "Lively, bizarre, and funny as well as dark, sinister,

and sensual." —Boston Phoenix A dazzling, postmodern debut collection of pulp and surreal fictions: a writer of alternate histories defends his patron's zeppelin against assassins and pirates; a woman transforms into hundreds of gumballs; an emancipated children's collective goes house hunting. Benjamin Rosenbaum's stories have appeared in Asimov's Science Fiction and McSweeney's, been translated into fourteen languages, and listed in The Best American Short Stories 2006. Shortlisted for the Hugo and Nebula awards, Rosenbaum's work has been reprinted in Harper's and The Year's Best Science Fiction. He lives in Switzerland with his family.

The Mount Carol Emshwiller 2002 In a world where humans are enslaved by alien invaders called Hoots, Charlie, a human "mount", dreams of being a runner like his father, of seeing his long-lost parents again, and of the day when humans will rule the world again.

The Unraveling Benjamin Rosenbaum 2021-06-08 In the distant future, somewhere in the galaxy, a world has evolved where each person has multiple bodies, cybernetics has abolished privacy, and individual and family success are reliant upon instantaneous evaluations of how well each member conforms to the rigid social system. Young Fift is an

only child of the Staid gender, struggling to maintain zir position in the system while developing a friendship with the acclaimed bioengineer Shria—a controversial and intriguing friendship, since Shria is Vail-gendered. Soon Fift and Shria unintentionally wind up at the center of a scandalous art spectacle which turns into a multilayered Unraveling of society. Fift is torn between zir attraction to Shria and the safety of zir family, between staying true to zir feelings and social compliance . . . when zir personal crises suddenly take on global significance. What's a young Staid to do when the whole world is watching?

The Year's Best Science Fiction: Thirty-Third Annual Collection Gardner Dozois 2016-07-05

In the new millennium, what secrets lay beyond the far reaches of the universe? What mysteries belie the truths we once held to be self evident? The world of science fiction has long been a porthole into the realities of tomorrow, blurring the line between life and art. Now, in The Year's Best Science Fiction: Thirty-Third Annual Collection, the very best SF authors explore ideas of a new world. This venerable collection brings together award-winning authors and masters of the field. With an extensive recommended reading guide and a summation of the year in science fiction, this annual compilation of short stories has become the definitive must-read anthology for all science fiction fans and readers interested in breaking into the genre.

Kalpa Imperial AngŽlica Gorodischer 2014-01-02 Emperors, empresses, storytellers, thieves and the Natural History of Ferrets.

The Mammoth Book of Steampunk Sean Wallace 2012-04-05 An anthology focusing on newer elements of steampunk, one which deconstructs the staples of the genre and

expands on them, rather than simply repeating them, with a greater spread both in terms of location and character. This is steampunk with a modern, post-colonial sensibility. Contributors include: Jeff VanderMeer, Caitlín Kiernan, Mary Robinette Kowal, Jay Lake, Cherie Priest, Cat Rambo, Catherynne M. Valente, Genevieve Valentine and many more.

Couch Benjamin Parzybok 2008-11-01 "Couch hits on an improbable, even fantastic premise, and then rigorously hews to the logic that it generates, keeping it afloat (at times literally) to the end." —Los Angeles Times "Delightfully lighthearted writing. . . . Occasionally laugh-out-loud funny, the enthusiastic prose carries readers through sporadic dark moments . . . Parzybok's quirky humor recalls the flaws and successes of early Douglas Adams."—Publishers Weekly "The book succeeds as a conceptual art piece, a literary travelogue, and a fantastical quest." —Willamette Week "Hundreds of writers have slavishly imitated—or outright ripped off—Tolkien in ways that connoisseurs of other genres would consider shameless. What Parzybok has done here in adapting the same old song to a world more familiar to the reader is to revive the genre and make it relevant again" —The Stranger A Spring Summer Indie Next Reading List Pick: Top 10 Reading Group Suggestions "Couch follows the quirky journey of Thom, Erik, and Tree as they venture into the unknown at the behest of a magical, orange couch, which has its own plan for their previously boring lives. Parzybok's colorful characters, striking humor, and eccentric magical realism offer up an adventuresome read." —Christian Crider, Inkwood Books, Tampa, FL A January 2009 Indie Next List Pick "This funny novel of furniture moving gone awry is a magical realism quest for modern times. Parzybok's touching story explores the aimlessness

of our culture, a society of jobs instead of callings, replete with opportunities and choices but without the philosophies and vocations we need to make meaningful decisions." —Josh Cook, Porter Square Books, Cambridge, MA "A lot of people are looking for magic in the world today, but only Benjamin Parzybok thought to check the sofa, which is, I think, the place it's most likely to be found. Couch is a slacker epic: a gentle, funny book that ambles merrily from Coupland to Tolkien, and gives couch-surfing (among other things) a whole new meaning." —Paul La Farge "One of the strangest road novels you'll ever read. It's a funny and fun book, and it's also a very smart book. Fans of Tom Robbins or Christopher Moore should enjoy this." —Handee Books "It is an upholstered Odyssey unlike any other you are likely to read. It is funny, confusing in places, wild and anarchic. It is part Quixote, part Murakami, part Tom Robbins, part DFS showroom. It has cult hit written all over it." —Scott, Me and My Big Mouth Benjamin Parzybok on tour:

[http://booktour.com/author/benjamin\\_parzybok](http://booktour.com/author/benjamin_parzybok) In this exuberant and hilarious debut reminiscent of *The Life of Pi* and *Then We Came to the End*, an episode of furniture moving gone awry becomes an impromptu quest of self-discovery, secret histories, and unexpected revelations. Thom is a computer geek whose hacking of a certain Washington-based software giant has won him a little fame but few job prospects. Erik is a smalltime con man, a fast-talker who is never quite quick enough on his feet. Their roommate, Tree, is a confused clairvoyant whose dreams and prophecies may not be completely off base. After a freak accident floods their apartment, the three are evicted—but they have to take their couch with them. The real problem? The couch—huge and orange—won't let them put it down.

Soon the three roommates are on a cross-country trek along back roads, byways, and rail lines, heading far out of Portland and deep into one very weird corner of the American dream. Benjamin Parzybok is the creator of Gumball Poetry, a journal published through gumball machines, and the Black Magic Insurance Agency, a city-wide mystery/treasure hunt. He has worked as a congressional page, a ghostwriter for the governor of Washington, a web developer, a Taiwanese factory technical writer, an asbestos removal janitor, and a potato sorter. He lives in Portland, Oregon, with the writer Laura Moulton and their two children.

Everybody Sees the Ants A.S. King 2011-10-03 Lucky Linderman didn't ask for his life. He didn't ask his grandfather not to come home from the Vietnam War. He didn't ask for a father who never got over it. He didn't ask for a mother who keeps pretending their dysfunctional family is fine. And he didn't ask to be the target of Nader McMillan's relentless bullying, which has finally gone too far. But Lucky has a secret--one that helps him wade through the daily mundane torture of his life. In his dreams, Lucky escapes to the war-ridden jungles of Laos--the prison his grandfather couldn't escape--where Lucky can be a real man, an adventurer, and a hero. It's dangerous and wild, and it's a place where his life just might be worth living. But how long can Lucky keep hiding in his dreams before reality forces its way inside?

Michael L. Printz Honor recipient A.S. King's smart, funny and boldly original writing shines in this powerful novel about learning to cope with the shrapnel life throws at you and taking a stand against it.

Anteater Analogy Megan C. Brown 2014-01-20 Anteater Analogy is an informative and educational book all about the anteater, an interesting and unique species. The drawings feature an anthropomorphized anteater engaging in somewhat familiar activities related to the text, which transforms these hard facts into fun, relevant content for anyone! This book is written using simple language, so the material is accessible to everyone - from younger readers to the more distinguished. I created this book so I may share my love of art, animals,

science, and nature in a meaningful way. By Megan McNellis (formerly Brown) Also by M.C. McNellis: Kiwi Simile, Ibex Idiom, and Ant Adaptation

Lady Churchill's Rosebud Wristlet No. 27 Carol Emshwiller 2016-08-22 As is traditional in the world of zines, we apologize for the lateness of the current issue to appear. This, er, tradition goes back to Bob, the first caveman. Damn his late eyes. Also, we introduce a new columnist, Nicole Kimberling, who will write about food. This time, she starts us off with that most delightful of comestibles: brownies.

We Are the Ants Shaun David Hutchinson 2017-05-16 From the “author to watch” (Kirkus Reviews) of *The Five Stages of Andrew Brawley* comes an “equal parts sarcastic and profound” (Kirkus Reviews, starred review) novel about a teenage boy who must decide whether or not the world is worth saving. Henry Denton has spent years being periodically abducted by aliens. Then the aliens give him an ultimatum: The world will end in 144 days, and all Henry has to do to stop it is push a big red button. Only he isn’t sure he wants to. After all, life hasn’t been great for Henry. His mom is a struggling waitress held together by a thin layer of cigarette smoke. His brother is a jobless dropout who just knocked someone up. His grandmother is slowly losing herself to Alzheimer’s. And Henry is still dealing with the grief of his boyfriend’s suicide last year. Wiping the slate clean sounds like a pretty good choice to him. But Henry is a scientist first, and facing the question thoroughly and logically, he begins to look for pros and cons: in the bully who is his perpetual one-night stand, in the best friend who betrayed him, in the brilliant and mysterious boy who walked into the wrong class. Weighing the pain and the joy that surrounds him, Henry is left with the ultimate choice: push the button and save the planet and everyone on it...or let the world—and his pain—be destroyed forever.

Pirate Utopia Bruce Sterling 2016-10-17 Original introduction by Warren Ellis, author of Transmetropolitan and Gun Machine Who are these bold rebels pillaging their European neighbors in the name of revolution? The Futurists! Utopian pirate-warriors of the tiny Regency of Carnaro, unlikely scourge of the Adriatic Sea. Mortal enemies of communists, capitalists, and even fascists (to whom they are not entirely unsympathetic). The ambitious Soldier-Citizens of Carnaro are led by a brilliant and passionate coterie of the perhaps insane. Lorenzo Secondari, World War I veteran, engineering genius, and leader of Croatian raiders. Frau Piffer, Syndicalist manufacturer of torpedos at a factory run by and for women. The Ace of Hearts, a dashing Milanese aristocrat, spymaster, and tactical savant. And the Prophet, a seductive warrior-poet who leads via free love and military ruthlessness. Fresh off of a worldwide demonstration of their might, can the Futurists engage the aid of sinister American traitors and establish world domination?

Stranger Things Happen Kelly Link 2010-12-30 This first collection by award-winning author Kelly Link takes fairy tales and cautionary tales, dictators and extraterrestrials, amnesiacs and honeymooners, revenants and readers alike, on a voyage into new, strange, and wonderful territory. The girl detective must go to the underworld to solve the case of the tap-dancing bank robbers. A librarian falls in love with a girl whose father collects artificial noses. A dead man posts letters home to his estranged wife. Two women named Louise begin a series of consecutive love affairs with a string of cellists. A newly married couple become participants in an apocalyptic beauty pageant. Sexy blond aliens invade New York City. A young girl learns how to make herself disappear. These eleven extraordinary stories are quirky, spooky, and smart. They all have happy endings. Every story contains a secret prize. Each story was written especially for you.

The Unfinished Life of Benjamin Franklin Douglas Anderson 2012-06-01 Benjamin Franklin wrote his posthumously published memoir—a model of the genre—in several pieces and in different temporal and physical places. Douglas Anderson's study of this work reveals the famed inventor as a literary adept whose approach to autobiographical narrative was as

innovative and radical as the inventions and political thought for which he is renowned. Franklin never completed his autobiography, choosing instead to immerse his reader in the formal and textual atmosphere of a deliberately “unfinished” life. Taking this decision on Franklin’s part as a starting point, Anderson treats the memoir as a subtle and rewarding reading lesson, independent of the famous life that it dramatizes but closely linked to the work of predecessors and successors like John Bunyan and Alexis de Tocqueville, whose books help illuminate Franklin’s complex imagination. Anderson shows that Franklin’s incomplete story exploits the disorderly and disruptive state of a lived life, as opposed to striving for the meticulous finish of standard memoirs, biographies, and histories. In presenting Franklin’s autobiography as an exemplary formal experiment in an era that its author once called the Age of Experiments, *The Unfinished Life of Benjamin Franklin* veers away from the familiar practices of traditional biographers, viewing history through the lens of literary imagination rather than the other way around. Anderson’s carefully considered work makes a persuasive case for revisiting this celebrated book with a keener appreciation for the subtlety and beauty of Franklin’s performance.
