Return to Poughkeepsie Debra Anastasia 2013-12-31 Beckett Taylor is a

murderer. His calling, his craft are destruction and intimidation--whether he wants it that way now or not. He left Poughkeepsie to keep his brothers safe, to keep Eve safe. Set up with happy lives to live, they're better off without him, right? But all his willpower crumbles when he hears his brother Blake's frantic voice on the phone. An unknown enemy has moved in on his old territory, and Livia's been taken. In an instant, Beckett knows it will take an attack only he and Eve can execute to bring her back. All his self-imposed embargoes are torn to shreds, perhaps along with the new man he's struggled to become. "Brother, call Eve. I'll be there soon." In this emotional and action-packed sequel to Poughkeepsie, Debra Anastasia conjures a tale of love at its most raw and ragged. With Beckett and Eve, how could we expect anything less? But even when it's messy, not magical, true love perseveres. Real love finds a way--for better or worse until death does part.

Eighteen: 18 Ja Huss 2020-03-26 Eighteen is hard. And so is Mateo Alesci. He's hard to read, hard to predict, hard in every way that counts. He wants things from me. Dirty things, nasty things, forbidden things. And I have to give in. His attention is completely inappropriate, but I can't say no. The way he looks at me... the way he watches me through my bedroom window... the way

he drags me deeper and deeper into his completely forbidden fantasy world just... turns me on. He knows it turns me on. He holds all the power. He holds all the cards. He holds my entire future in his hands. And I have to give in. Because Mr. Alesci is my teacher. And I need everything he's offering.

Marigny Street Annie Rose Welch 2013-07-01 Do you believe in the power of dreams? Way down south on Marigny Street in the heart of New Orleans, the land of Catholic intercessions, purgatory, and supernatural superstitions, young Evangeline Chenier dreams of a radiant boy who saves her from a storm. She takes the dream seriously - in her family, dreams are sometimes more than dreams. Sometimes they foretell the future. Sometimes they create it. Years later, Eva is no longer the same wistful girl but a hardened woman who no longer believes in dreams. Losing faith in her gift, she becomes lost in a nightmare of emotion, mourning her son, separating from her husband, and stewing in a dead-end job. And then fate brings her an unlikely surprise: one of the most famous movie stars in the world, Gabriel Roberts. Caught by something in his eyes, Eva agrees to show him the real Big Easy on his last night in New Orleans-an evening that turns into four dreamy days spent recapturing lost faith and discovering a love neither expected. Realizing

Gabriel is the boy from her childhood dream, Eva must leave everything behind-her husband, her family, her history, and the beautiful city she calls home-and gamble it all for the dream that has saved her on MARIGNY STREET.

Parentology Dalton Conley 2014-03-18 An award-winning scientist offers his unorthodox approach to childrearing: “Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions” (Amy Chua, author of Battle Hymn of the Tiger Mother). If you’re like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In Parentology, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy

(because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley’s sassy kids show him the limits of his profession. Parentology teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You’ll be laughing and learning at the same time.

How to Date Men When You Hate Men Blythe Roberson 2019-01-08 From New Yorker and Onion writer and comedian Blythe Roberson, *How to Date Men When You Hate Men* is a comedy philosophy book aimed at interrogating what it means to date men within the trappings of modern society. Blythe Roberson’s sharp observational humor is met by her open-hearted willingness to revel in the ugliest warts and shimmering highs of choosing to live our lives amongst other humans. She collects her crushes like ill cared-for pets, skewers her own suspect decisions, and assures readers that any date you can mess up, she can top tenfold. And really, was that date even a date in the first place? With sections like *Real Interviews With Men About Whether Or Not It Was A Date*; *Good Flirts That Work*; *Bad Flirts That Do Not Work*; and

Definitive Proof That Tom Hanks Is The Villain Of You've Got Mail, How to Date Men When You Hate Men is a one stop shop for dating advice when you love men but don't like them. "With biting wit, Roberson explores the dynamics of heterosexual dating in the age of #MeToo" — The New York Times

Far From You Tess Sharpe 2014-04-08 The truth won't let her go. Sophie Winters nearly died. Twice. The first time, she's fourteen, and escapes a near-fatal car accident with scars, a bum leg, and an addiction to Oxy that'll take years to kick. The second time, she's seventeen, and it's no accident. Sophie and her best friend Mina are confronted by a masked man in the woods. Sophie survives, but Mina is not so lucky. When the cops deem Mina's murder a drug deal gone wrong, casting partial blame on Sophie, no one will believe the truth: Sophie has been clean for months, and it was Mina who led her into the woods that night for a meeting shrouded in mystery. After a forced stint in rehab, Sophie returns home to a chilly new reality. Mina's brother won't speak to her, her parents fear she'll relapse, old friends have become enemies, and Sophie has to learn how to live without her other half. To make matters worse, no one is looking in the right places and Sophie must search for Mina's murderer on her own. But with every step, Sophie comes closer to revealing

all: about herself, about Mina---and about the secret they shared.

Unteachable Leah Raeder 2014-10-14 An edgy, sexy USA TODAY bestseller about falling for the one person you can't have. Maise O'Malley just turned eighteen, but she's felt like a grown-up her entire life. The summer before senior year, she has plans: get into a great film school, convince her mom to go into rehab, and absolutely do not, under any circumstances, screw up her own future. But life has a way of throwing her plans into free-fall. When Maise meets Evan at a carnival one night, their chemistry is immediate, intense, and short-lived. Which is exactly how she likes it: no strings. But afterward, she can't get Evan out of her head. He's taught her that a hookup can be something more. It can be an unexpected connection with someone who truly understands her. Someone who sees beyond her bravado to the scared but strong girl inside. That someone turns out to be her new film class teacher, Mr. Evan Wilke. Maise and Evan resolve to keep their hands off each other, but the attraction is too much to bear. Together, they're real and genuine; apart, they're just actors playing their parts for everyone else. And their masks are slipping. People start to notice. Rumors fly. When the truth comes to light in a shocking way, they may learn they were just playing parts for each other, too.

Smart, sexy, and provocative, *Unteachable* is about what happens when a love story goes off-script.

Losing It Cora Carmack 2012-12-05 The Runaway New York Times and USA Today Bestseller! *Virginity*. Bliss Edwards is about to graduate from college and still has hers. Sick of being the only virgin among her friends, she decides the best way to deal with the problem is to lose it as quickly and simply as possible—a one-night stand. But her plan turns out to be anything but simple when she freaks out and leaves a gorgeous guy alone and naked in her bed with an excuse that no one with half a brain would ever believe. And as if that weren't embarrassing enough, when she arrives for her first class of her last college semester, she recognizes her new theater professor. She'd left him naked in her bed about eight hours earlier. . . .

To Professor, with Love Linda Kage 2014 Junior in college. Star athlete. Constant attention from the opposite sex. On this campus, I'm worshiped. While seven hundred miles away, back in my hometown, I'm still trailer park trash, child of the town tramp, and older sibling to three kids who are counting on me to keep my shit together so I can take them away from the same crappy life I grew up in. These two opposing sides of myself never mix until one

person gets a glimpse of the true me. I never expected to connect with anyone like this or want more beyond one night. This may be the real deal. Problem is Dr. Kavanagh's my literature professor. If I start anything with a teacher and we're caught together, I might as well kiss my entire future goodbye, as well as my family's and especially Dr. Kavanagh's. Except sometimes love is worth risking everything. Or at least, it damn well better be, because I can only resist so much.

Slammed Colleen Hoover 2012-08-10 From #1 New York Times bestselling author of *It Ends With Us*, Colleen Hoover's romantic, emotion-packed debut novel unforgettably captures all the magic and confusion of first love, as two young people forge an unlikely bond before discovering that fate has other plans for them. Following the unexpected death of her father, eighteen-year-old Layken becomes the rock for both her mother and younger brother. She appears resilient and tenacious, but inside, she's losing hope. Then she meets her new neighbor Will, a handsome twenty-one-year-old whose mere presence leaves her flustered and whose passion for poetry slams thrills her. Not long after a heart-stopping first date during which each recognizes something profound and familiar in the other, they are slammed to the core

when a shocking discovery brings their new relationship to a sudden halt. Daily interactions become impossibly painful as they struggle to find a balance between the feelings that pull them together and the forces that tear them apart. Only through the poetry they share are they able to speak the truth that is in their hearts and imagine a future where love is cause for celebration, not regret.

Looking for a Complication Tamsen Parker 2017-06 When Astrid Zhao slams into Kinsey Malone's life-also known as Kinsey's hastily opened car door-Kinsey has no idea her life is about to get very complicated.Astrid's a dapper-dressing med student whose brazen confidence and sense of style awaken Kinsey's dormant attraction to women. Despite Astrid's own fascination with the redhead, she shies away from their connection, suspecting Kinsey's not looking for anything more than an ego-boosting flirtation.But after an impromptu date in Boston's chic South End, it seems as though the spark between them could turn into something more. They'll have to decide whether to let fears of rejection and disingenuousness hold sway, or take a chance on each other and an entanglement neither of them were seeking, but might be

exactly what they were looking for.

Dangerous Girls Abigail Haas 2014-05-06 While on spring break in Aruba, Anna is accused of her best friend's death and must stand trial for murder in a foreign country.

Bad Boy Elliot Wake 2016-12-06 The latest from groundbreaking author Leah Raeder is a dark, sexy romantic thriller written in her signature provocative style, which has been praised as "dizzingly intense...an exhilarating ride for our inner underdog" (Publishers Weekly, starred review) and "compelling and unnerving" (Booklist). Very few mainstream authors have garnered the devoted following that bestselling author Leah Raeder has earned by pushing the boundaries of romantic suspense. Her carefully rendered "anti-heroines" buck norms, immersing you in a gritty world of sexual fluidity, drugs, and revenge, told with exquisite language and candor that turns the romance genre on its head and leaves readers begging for more. Her latest novel is a tightly plotted adventure that follows closely on the heels of her acclaimed novels Unteachable--"lush, haunting prose, deft storytelling, and scorching sensuality" (M. Pierce)--the "intense and visceral" (Lauren Blakely) Black Iris, and the

highly anticipated Cam Girl, and is sure to keep you reading late into the night. Under the Lights Dahlia Adler 2015-06-30 Josh Chester loves being a Hollywood bad boy, coasting on his good looks, his parties, his parents' wealth, and the occasional modeling gig. But his laid-back lifestyle is about to change. To help out his best friend, Liam, he joins his hit teen TV show, Daylight Falls...opposite Vanessa Park, the one actor immune to his charms. (Not that he's trying to charm her, of course.) Meanwhile, his drama-queen mother blackmails him into a new family reality TV show, with Josh in the starring role. Now that he's in the spotlight--on everyone's terms but his own-- Josh has to decide whether a life as a superstar is the one he really wants. Vanessa Park has always been certain about her path as an actor, despite her parents' disapproval. But with all her relationships currently in upheaval, she's painfully uncertain about everything else. When she meets her new career handler, Brianna, Van is relieved to have found someone she can rely on, now that her BFF, Ally, is at college across the country. But as feelings unexpectedly evolve beyond friendship, Van's life reaches a whole new level of confusing. And she'll have to choose between the one thing she's always

loved...and the person she never imagined she could.

Drowning Instinct Ilsa J. Bick 2012-02-01 There are stories where the girl gets her prince, and they live happily ever after. (This is not one of those stories.)

Jenna Lord's first sixteen years were not exactly a fairy tale. Her father is a controlling psycho and her mother is a drunk. She used to count on her older brother—until he shipped off to Iraq. And then, of course, there was the time she almost died in a fire. There are stories where the monster gets the girl, and everyone cries for his innocent victim. (This is not one of those stories either.) Mitch Anderson is many things: A dedicated teacher and coach. A caring husband. A man with a certain...magnetism. And there are stories where it's hard to be sure who's a prince and who's a monster, who is a victim and who should live happily ever after. (These are the most interesting stories of all.) **Drowning Instinct** is a novel of pain, deception, desperation, and love against the odds—and the rules.

Cam Girl Leah Raeder 2015-11-03 From the USA TODAY bestselling author of **Unteachable** and **Black Iris** comes a sexy, romantic suspense novel about two best friends who are torn apart by a life-shattering accident, and the secrets it left behind. Vada and Ellis's friendship is so intense and consuming,

it's hard to tell where one girl ends and the other begins. Yet they couldn't be more different: Ellis is nerdy, shy, and rich; Vada is an ambitious artist struggling to make ends meet. When Vada gets into an elite New England art college, Ellis comes along for the ride. Like always. They can face anything in the world as long as they're together ... Until a horrifying accident tears them apart. Life goes on, and Ellis handles it just fine on her own, but Vada is deeply scarred--emotionally and physically. Her once-promising career as an artist is cut short by her injuries. Broke and severed from doing what she loves, she meets the wrong guy at the right time: Dane, a smooth-talking lothario, who offers her a new career as a cam girl. All Vada has to do is spend a couple hours each night taking off her clothes in front of a webcam, and the tips come pouring in. Things get complicated when a client who calls himself Blue gets possessive. Through the safety of the cam, they open up to each other intimately. Vada finally talks about the accident. Blue helps her heal. And he pays well, but he wants her all to himself. No more cam shows. He's a mystery, and she might be falling for him, so Vada demands something in return: to meet in real life. Blue agrees, on one condition: she has to bring Ellis. The girl who wants nothing to do with her anymore. Now Vada is forced

to confront the past she's been running from. A past full of devastating secrets--those of others, and those she's been keeping from herself ...

Flat-Out Celeste Jessica Park 2014-05-22 For high-school senior Celeste Watkins, every day is a brutal test of bravery. And Celeste is scared. Alienated because she's too smart, her speech too affected, her social skills too far outside the norm, she seems to have no choice but to retreat into isolation. But college could set her free, right? If she can make it through this grueling senior year, then maybe. If she can just find that one person to throw her a lifeline, then maybe, just maybe. Justin Milano, a college sophomore with his own set of quirks, could be that person to pull her from a world of solitude. To rescue her—that is, if she'll let him. Together, they may work. Together, they may save each other. And together they may also save another couple—two people Celeste knows are absolutely, positively flat-out in love. Whether you were charmed by Celeste in Flat-Out Love or are meeting her for the first time, this book is a joyous celebration of differences, about battling private wars that rage in our heads and in our hearts, and—very much so— this is a story about first love.

A Different Blue Amy Harmon 2013-03-22 Blue Echohawk doesn't know who

she is. She doesn't know her real name or when she was born. Abandoned at two and raised by a drifter, she didn't attend school until she was ten years old. At nineteen, when most kids her age are attending college or moving on with life, she is just a senior in high school. With no mother, no father, no faith, and no future, Blue Echohawk is a difficult student, to say the least. Tough, hard and overtly sexy, she is the complete opposite of the young British teacher who decides he is up for the challenge, and takes the troublemaker under his wing. This is the story of a nobody who becomes somebody. It is the story of an unlikely friendship, where hope fosters healing and redemption becomes love. But falling in love can be hard when you don't know who you are. Falling in love with someone who knows exactly who they are and exactly why they can't love you back might be impossible.

Secret Lucidity E. K. Blair 2018-02-26 I never could've imagined my heart falling the way it did. Hard, fast, and with unbounding beauty. The only problem? He was off limits. Forbidden.

The Sea of Tranquility Katja Millay 2013-06-04 Teenage former piano prodigy Nastya Kashnikov and Josh Bennett, a lonely boy at her school, enter into an intense relationship, with neither unaware of the dark secrets the other's past holds. Original.

Falling Into You Jasinda Wilder 2014-11-13 I wasn't always in love with Colton Calloway; I was in love with his younger brother, Kyle, first. Kyle was my first one true love, my first in every way. Then, one stormy August night, he died, and the person I was died with him. Colton didn't teach me how to live. He didn't heal the pain. He didn't make it okay. He taught me how to hurt, how to

not be okay, and, eventually, how to let go. Nell Hawthorne is in love with her life-long best friend, Kyle Calloway. Things are great, and they're in love, young, full of promise. Then Kyle dies in a tragic accident and Nell is forever changed. She meets Kyle's older brother Colton at the funeral, and there's a spark, but it's wrong and they both know it. The moment passes, and they both move on with life. A couple years later, they meet again in New York City, and Colton realizes that Nell has never really gotten over Kyle's death, and seems to be harboring a deeply rooted pain, something like guilt, perhaps. He knows he shouldn't get involved, but he can't help himself. Trust doesn't come easily for either of them, and they both have demons, Colton especially. Together, they learn the purpose of pain and the meaning of healing, and the importance of forgiveness.

A Little Too Far Lisa Desrochers 2013-09-17 Have you ever gone just a little too far? Lexie Banks has. Yep. She just had mind-blowing sex with her stepbrother. In her defense, she was on the rebound, and it's more of a my-dad-happened-to-marry-a-woman-with-a-super-hot-son situation. But still, he's been her best friend and confidant for the better part of the last few years . . . and is so off limits. It's a good thing she's leaving in two days for a year abroad

in Rome. But even thousands of miles away, Lexie can't seem to escape trouble. Raised Catholic, she goes to confession in hopes of alleviating some of her guilt . . . and maybe not burning in hell. Instead, she stumbles out of the confessional and right into Alessandro Moretti, a young and very easy-on-the-eyes deacon . . . only eight months away from becoming a priest. Lexie and Alessandro grow closer, and when Alessandro's signals start changing despite his vow of celibacy, she doesn't know what to think. She's torn between falling in love with the man she shouldn't want and the man she can't have. And she isn't sure how she can live with herself either way.

Roam (Roam Series, Book One) Kimberly Adams 2012-09-06 Roam Camden is a bright girl in small town Ohio, eager to graduate high school and pursue her dreams of teaching history. Her well-planned path includes Logan, her life-long best friend, and now boyfriend. On the first day of her senior year she meets the new history teacher, West Perry, and senses that there is something deep within her soul that remembers him... and a life they once shared. Roam quickly learns that her fate is not as simple as she once believed. She has spent six lifetimes, as far back as the fifteenth century to as recently as the 1970s, struggling to survive a prophecy that has forsaken her...

and the man that she has loved throughout time. Evil is near, and now, in their last life together, West must protect Roam for the last time, save their unborn child... and in turn, save our world.

Veiled Innocence Ella Frank 2017-04-18 Tick, tick, tock. Time. That's all I have now. A small room, a photograph, and time. They want me to trust them and confess my sins. They told me they wouldn't judge me—they lied. I thought we could convince the world that this wasn't a crime. We were wrong. Time doesn't stand still. The clock keeps ticking, the world is unconvinced, and

now... Now he is gone.

Black Iris Leah Raeder 2015-04-28 Laney Keating's senior year of high school sucked. It began with one moment of weakness, one stupid gesture for a hopeless crush. Then the rumors started. Slut, they called her. Queer. Pillhead. Psycho. Mentally ill, messed up, so messed up even her own mom decided she wasn't worth sticking around for.

Summer Skin Kirsty Eagar 2018-05-29 From Kirsty Eagar, Summer Skin is a young adult novel about a modern-day riot grrl and an alpha male jock who explore love, trust, and double standards against the backdrop of today's hookup culture. Jess Gordon is out for revenge. Last year the jocks from Knights College tried to shame her best friend. This year she and a hand-picked college girl gang are going to get even. The lesson: Don't mess with Unity College girls. The target: Blondie, a typical Knights stud, arrogant, cold . . . and smart enough to keep up with Jess. A neo-riot grrl with a penchant for fanning the flames meets a rugby-playing sexist pig—sworn enemies or two people who happen to find each other when they're at their most vulnerable? It's all Girl meets Boy, Girl steals from Boy, seduces Boy, ties Boy to a chair, and burns Boy's stuff. Just your typical love story. Kirsty Eagar expertly

handles a searingly honest and achingly funny story about love and sex amid the college hookup culture.

The Unrequited Saffron A. Kent 2020-12-27 Layla Robinson is not crazy. She is suffering from unrequited love. But it's time to move on. No more stalking, no more obsessive calling. What she needs is a distraction. The blue-eyed guy she keeps seeing around campus could be a great one--only he is the new poetry professor--the married poetry professor. Thomas Abrams is a stereotypical artist--rude, arrogant, and broody--but his glares and taunts don't scare Layla. She might be bad at poetry, but she is good at reading between the lines. Beneath his prickly façade, Thomas is lonely, and Layla wants to know why. Obsessively. Sometimes you do get what you want. Sometimes you end up in the storage room of a bar with your professor and you kiss him. Sometimes he kisses you back like the world is ending and he will never get to kiss you again. He kisses you until you forget the years of unrequited love; you forget all the rules, and you dare to reach for something that is not yours. Captive in the Dark CJ Roberts 2011 BOOK ONE OF THE DARK DUET:

Caleb is a man with a singular interest in revenge. Kidnapped as a young boy and sold into slavery by a power-hungry mobster, he has thought of nothing but vengeance. For twelve years he has immersed himself in the world of pleasure slaves searching for the one man he holds ultimately responsible. Finally, the architect of his suffering has emerged with a new identity, but not a new nature. If Caleb is to get close enough to strike, he must become the very thing he abhors and kidnap a beautiful girl to train her to be all that he once was. Eighteen-year-old Olivia Ruiz has just woken up in a strange place. Blindfolded and bound, there is only a calm male voice to welcome her. His name is Caleb, though he demands to be called Master. Olivia is young, beautiful, naïve and willful to a fault. She has a dark sensuality that cannot be hidden or denied, though she tries to accomplish both. Although she is frightened by the strong, sadistic, and arrogant man who holds her prisoner, what keeps Olivia awake in the dark is her unwelcome attraction to him. **WARNING:** This book contains very disturbing situations, dubious consent,

strong language, and graphic violence.

Professed Nicola Rendell 2016-07-30 At a secret masked ball at Yale, Naomi Costa is literally swept off her stiletto-blistered feet by a man with a killer jawline, a perfect body, and an even-better kiss. They bust out of an emergency exit and have axis-shaking sex. He pours whiskey in her belly button and after they run out of condoms, they have to get creative. That kind of sex. The next day, she learns that he is none other than Dr. Benjamin Beck, a brand new member of the Yale faculty and the hottest thing to happen to academia since... well, ever. She has to take his damned junior seminar to graduate, but it gets worse. He's also her College Master: her boss, her advisor, her everything. And he's just moved in, right downstairs. They can't stay away from each other. They're either fusion or fission or both. They're making out in libraries, hiding notes between stones, and sneaking off to nautically themed AirBnBs. Hear that sound? It's the academic code of ethics going up in flames. If they're found out, he'll lose his job and his reputation. She'll lose her scholarship and be forced to return to the life of lobster fishing that she thought she'd escaped. And they will be found out, yes they will. So what the hell are they going to do? *** To the reader: Things get damned dirty

in this book. The characters curse, the sex gets explicit. It's an erotic love story with fury. Be advised. This is a stand-alone novel. Other tasters' notes: HEA. Sweet. Funny. Dirty. Muddy. Wet. Inspired by a real professor.

Death, Dickinson, and the Demented Life of Frenchie Garcia Jenny Torres Sanchez 2013-05-28 It is the summer after Frenchie Garcia's senior year, and she can't come to grips with the death of Andy Cooper. Her friends don't know that she had a secret crush on her classmate, and they especially don't know that she was with Andy right before he committed suicide. The only person who does know is Frenchie's imaginary pal Em (a.k.a. Emily Dickinson), who she hangs out with at the cemetery down the street. When Frenchie's guilt and confusion come to a head, she decides there is only one way to truly figure out why Andy chose to be with her during his last hours. While exploring the emotional depth of loss and transition to adulthood, Sanchez's sharp humor and clever observations bring forth a richly developed voice.

Dangerous Boys Abigail Haas 2014-08-14 It all comes down to this. Oliver, Ethan, and I. Three teens venture into an abandoned lake house one night.

Hours later, only two emerge from the burning wreckage. Chloe drags one Reznick brother to safety, unconscious and bleeding. The other is left to burn, dead in the fire. But which brother survives? And is his death a tragic accident? Desperate self-defense? Or murder . . .? Chloe is the only one with the answers. As the fire rages, and police and parents demand the truth, she struggles to piece the story together - a story of jealousy, twisted passion and the darkness that lurks behind even the most beautiful faces . . . Praise for *Dangerous Girls*: "The best teen thriller I've ever read." *Wondrous Reads* "I haven't wanted to talk about a book this much since *Gone Girl*" [goodreads.com](https://www.goodreads.com)
